Happy Mother's Day

Becoming a mother is a gift from God of falling in LOVE forever.

Being a mother is the art of letting go of holding onto the ones you LOVE,
so they can fly free on the wings of LOVE.

A MOTHER'S LOVE

There is no love like a mother's, her heart is filled with care.
With Christ as her example, her Savior's love she will share.

A mother's love is endless, not changing for all time.
When needed by her children, a mother's love will shine.

God Bless these special mothers, God Bless them every one
for all the tears and heartaches, and special work they
have done.

When her days on earth are over, a mother's love lives on,
through many generations, God's blessings on each one.

Be thankful for our mothers, who love with a higher love,
from power God has given, and strength from up above.
