**Persecuted Church – CHILDREN AT RISK**

5 yr. old Salim lives in the Middle East. When his parents revealed their conversion to Christianity, school became unbearable for this young boy. He was bullied and injured by his Muslim classmates. This happens frequently to children in various communities.

Pray for children who face these circumstances when their parents convert to Christianity.

"We are excited that we have had non-believing visitors, both college students and adults, lately. Please pray for salvation and baptism of the nonbelievers who are part of our network."
