Persecuted Church – North Korea

It is ranked top of the World Watch List at the world's most dangerous place to be a Christian. The threats against Christians are so severe that Christian parents cannot tell their young children about Jesus fearing they will innocently share this with a friend, neighbor or teacher. If their faith is discovered, parents can face a hard labor camp or execution. Christians in North Korea pay a high price for their faith. May the Lord protect and encourage them. Source: Open Doors

IW-Rick and Anna Woerner

They will be traveling from the US to Sweden at the end of the month. Please pray for safe travels, good connections, and grace as they meet with supporters and prepare for their move to Heidelberg.
