Moussa, one of our partners, (Open Doors) reports that the government has intensified arrests. "We must continue to pray earnestly for their protection and safety," he says.

International Workers-Rick & Anna Woerner, Germany

"We're starting a course to train small group leaders, multiplying our efforts by equipping locals to launch their own evangelistic small groups. By the end of the year, we'd like to launch a once-a-month worship and prayer gathering. We're praying for a suitable location and a strategic local partner: the right place and the right people. Please pray with us for both of these as we move into the fall season."
