JUNE 2023

# TRINITY NEWS

Summer is here! Long days of sunshine. No school. Vacations. Swimming pools. Grilling. For the next ten weeks, life in our culture shifts. Here's just a few thoughts, accompanied by God's Word as we journey in faith through another summer:

- Enjoy God's creation and praise Him for it! (Psalm 19:1)
- Spend time with people you love. Let them know you love them, and thank God for them! (1 Thessalonians 3:9)
- Try something new that's a little out of your comfort zone. (2 Timothy 1:7 – a little bit of a stretch...)
- Worship and praise God in lots of different places – other churches, out in nature, in your car, on your back porch, etc. (Psalm 29:2)
- Remember your Trinity family and come join us when you're in town! (Philippians 1:3-11)

One more note...in late June we will be noticing what people and gifts it takes to make a Sunday at Trinity meaningful and fruitful. Many of you already play vital roles in this. Start thinking about how you want to be part of what's happening on Sundays (or how you want to help others be a part of what you are already doing). Here's some areas to think about to prime the pump (Hospitality, Greeters, Musicians/Singers, Acolytes, Ushers, Worship Screen, Video\*, Readers\*, Prayer Group\*, Sunday School, Bag Ladies). The ones with a "\*" do not yet exist.

Happy Summer! Love y'all!

### June 2023

**4- "It's All Good-Even When It's Not"** - The key to growing closer to others is by growing closer to God.

**11- "Strenth Out of Weakness"** – The human 'heroes' of the Bbile are normal people, deeply flawed and dearly loved by the God Who made them.

**18- "Just Around the Corner"** – Dr. Zeigler discovers a place where God's love is being poured, just around the corner.

**26- "Tears, Fires, and a Song"** – Despite their tears, prophetic Christians are on fire with the Word of God and always have a song to sing. We embody both the deep sadness and the unrelenting commitment of the God we serve, and we never lack a reason for praise.

### SUMMER SOLACE

The best remedy for those who are afraid, lonely or unhappy is to go outside, somewhere where they can be quite alone with the heavens, nature and God. Because only then does one feel that all is as it should be and that God wishes to see people happy, amidst the simple beauty of nature. As long as this exists, and it certainly always will, I know that then there will always be comfort for every sorrow, whatever the circumstances may be. And I firmly believe that nature brings solace in all troubles.
