# EXPERIENCING WINTER BLUES?

02/25/2020 by Heidi

I have talked to so many mommas who are dealing with depression and lack of joy right now. In the states, it has been a long, gloomy winter. And, the enemy is attacking Christians at alarming rates by building fear, doubt, and discouragement.

So, I set my [devotional study](#) aside to do a topical study on joy. I needed to be reminded what the Bible says about finding joy in the journey.

## TRUST

The Holy Spirit led me to Romans 15:13 and He highlighted the word "because."

And I know that I am not alone. Parenting and teaching... life... is hard. The journey is long and there aren't always a lot of rewards along the way.

## TAKE CAPTIVE

And then another verse came to mind.

We demolish arguments and every pretension that sets itself up against the knowledge of God, and we take captive every thought to make it obedient to Christ

II Corinthians 10:5 (NIV)

When the lies come rolling into my mind, I must take those thoughts captive and not allow them to run wild. Lies lead to fear, doubt, and discouragement. I need to [name the lie and claim the truth](#).

## EXPERIENCING WINTER BLUES?

Take stock of where your trust lies and be filled with complete joy, peace, and hope. Take captive your thoughts and [focus on truths](#).

And, know that spring is coming!

## Who is St. Patrick?

---

Saint Patrick lived an adventurous life. Captured by pirates at the age of 16, Patrick became their slave. But even in slavery, Patrick knew God was with him and he devoted his life to obeying God. After six years, Patrick escaped captivity and later became a missionary in Ireland, bringing Christianity to the Irish people. As tradition tells, Patrick used Ireland's national flower, the **three-leafed shamrock, to explain the Trinity** - God the Father, God the Son, and God the Holy Spirit.

## The Life of Saint Patrick

As we commemorate St. Patrick's Day, we reflect on the incredible life of Saint Patrick himself. He was a man of faith who dedicated his life to sharing the gospel in Ireland. St. Patrick's mission was one of love, bringing people to know Christ through his tireless efforts. His life reminds us that even in challenging situations, we can find joy in serving God. His legacy teaches us to embrace our own faith journey and encourage others along the way. Saint Patrick's story inspires us to be bold and courageous in sharing our faith with others, just as he did in the face of adversity.
