

A WORD *from the pastor*

Talk of the Town

Hey! Did you hear about the.....

NEWS

NEWS

All of that blank information is uncalled for. It leaves you wondering what I was wanting and needing to say. It is the same for the un-churched and out of church when we don't talk to them about Jesus. They are left to wonder, and they may never have anyone else to tell them the good news!

I urge you to fulfill your responsibility to be a living testimony for the Lord Jesus Christ. Share the Gospel. Have conversations that are Christ-centered. Go and BE the church! I look forward to seeing you soon and worshipping with you at GSBC.

Blessings!

MINISTRY MINUTE

Government Street Christian School

School year 2025/2026 was a fantastic year for GSCS and school year 2026/2027 is another fantastic year. This year we have been blessed with a thirty percent growth over last year. The LORD is blessing us with more opportunities to influence the next generation for Christ. But our success is not in the number of students that are enrolled; it is the quality of the seed sown and the fruit that it bears. Our single most important purpose is to train young people to glorify Christ in everything that they do. It is to help them develop a worldview that is eternal. J. Gresham Graham wrote that “a truly Christian education is possible only when Christian conviction underlies not a part but all, of the curriculum of the school.” We are on “the long march” to make disciples for Christ where academic learning and social development are consecrated to Jesus Christ! Education, Learning, Living for Christ!

Child Development Center

I hope Fall has brought cooler temperatures. This summer was long and fiery hot, but the CDC was on fire in other ways. We updated each classroom and opened our K2-K3 Little Chargers Christian Academy. Our infants through K3 have enjoyed many exciting adventures. Please check out the pictures on our Facebook page.

The next few months will be busy with fall pictures, tailgating, Thanksgiving parade/ banquet and our Christmas program; but my prayer is that we, “Rejoice always, pray continually, give thanks in all circumstances; for this is God’s will for you in Christ Jesus” (1 Thessalonians 5: 16-18). I praise God for the growing momentum and increasing numbers, which allow us to reach more families with the Gospel of Christ. I am also grateful for the many ways you have supported our families and staff in recent months. Even if we face challenging times, may we continue to rejoice, trusting that God remains in control of this ministry.

—In Christ, Deborah Eddie

Church Administration

Dear fellow GSBC members and friends of GSBC, GSCS and GSCDC

As we near the end of 2026, we have done much as a church family to advance GSBC, GSCS and GSCDC. This includes continuing facilities modernization with multiple projects completed or progressing on schedule. We are particularly excited about the updating of refrigeration equipment in our campus kitchen. This update will provide more efficiency relating to operating costs and improved access to frozen/refrigerated food goods. This project is made possible due to *I Love My Church* donations. This project is an exciting upgrade to our GSBC campus.

Also of note is progress on remodeling and updating the soon-to-be Heritage Room (currently Hospitality Room). This space will be a location we can be proud of as a focal point for celebrating the history of our church. Additionally, focus on remodeling of the church lobby is on the table, which will be an obvious benefit to all that enter our church for varied purposes and events.

So, our future is bright as we advance forward and your support through contributions, advocacy and engagement will continue to be essential. Thank you for the support as we continue to

Advance The Kingdom!
