III. MINISTERIAL PREPARATION

Studies Chair: James Lunsford, 2713 Fly Rd., Santa Fe, TN 38482; E-mail: james@go2hunt.com (931) 682-2718

The District Board of Ministry (BOM) serves students who are preparing to enroll or are properly enrolled in the Course of Study. Enrollment is open to local ministers and local lay ministers.

MODES OF STUDY

The Board of Ministry (BOM) oversees all modes of ordination preparation for both elder and deacon ministerial candidates. To accomplish the goals the Church of the Nazarene has for all its ministers, the church has adopted a Modular Education Program (MEP) that gives attention to content, competency, character, and context. This series of measurable outcomes (“abilities”) are listed in Appendix A of the *Guide to Ministerial Preparation and Ordination*:

<http://www.nazarene.org/sites/default/files/docs/Clergy/GuideToMinisterialPrepAndOrdination.pdf>

These abilities should be achieved regardless of whether ministerial preparation is pursued via the college and seminary method or any of the various approved methods.

The recommended method/mode of preparation is graduation from a Nazarene liberal arts college/university and Nazarene Theological Seminary in Kansas City, MO. Other methods/modes of ministerial preparation are Nazarene Bible College (NBC), MidSouth District Modular Education Program, Hispanic Center of Biblical Studies, and coursework offered on-line through approved institutions.

Module classes are offered by the MidSouth District throughout the year. Candidates should contact the District Ministry Resource Center for information pertaining to registration for these classes and guidance in pursuing the Course of Study. Information about the curriculum and class schedule is announced through various avenues such as www.midsouthschoolofministry.org and through email notifications sent by Greg Nash, Registrar. To receive module/class announcements or to register for modules offered by the MidSouth District, please contact Greg Nash at gnash@calvarychurch.net or (901) 386-8988.

The *Guide to Ministerial Preparation and Ordination* is available as referenced above is available for download. Each candidate should become familiar with the information in this resource.

Candidates for the District Minister’s License meet annually with the District Board of Ministry (BOM) to demonstrate progress and to determine direction for continuation to licensing and ordination. The 2024 meetings and interviews are scheduled for January and will be held in four separate Mission Zone Cluster sessions and in three locations. All participants in the Course of Study are required to pass a minimum of 2 courses (subjects) or modules each year before the recommendation for renewal of the District Minister’s License can be made by the BOM. Those wishing to apply for District License must have held a local license in their local church for one year, be recommended by the local church board, submit a letter of recommendation from their pastor, and have completed at least 25 percent of the Course of Study to include Exploring Nazarene History and Polity (6 modules or 20 semester hours of college/university credit).

Students are responsible for submitting documentation, such as official transcripts or module class records, to the BOM for academic standing and evaluation. Yearly updates should be submitted to the BOM showing completed course work. The final transcript or course record will be evaluated by the BOM to verify graduation from the Course of Study.

Any questions may be forwarded to District Secretary Jeff Sexton – jsexton@midsouthnaz.org; (615) 255-2929.

It is also important to know that according to Manual paragraph 529.6, once a minister has fulfilled the requirements of a validated course of study for ministry, he or she will continue a pattern of lifelong learning to enhance the ministry to which God has called him or her. All assigned and unassigned licensed and ordained ministers shall report on their progress in a program of lifelong learning as part of their report to the district assembly. A minimum expectation is 20 hours of lifelong learning each year. The MidSouth District pastoral training programs offer multiple opportunities to assist with meeting this annual requirement.

V. REPORTS

A. DISTRICT OFFICERS

1. District Superintendent

Introduction

I bring to you my fifth report as District Superintendent of the MidSouth District. I can't believe five years have passed so quickly. God has empowered our district to accomplish so much during these years of floods, pandemics, political polarization, racial tensions, and economic challenges.

A quick review of the work of the Holy Spirit on the district will perhaps give us another reason to rejoice in the goodness of God.

- Development of a new District Mission Statement to guide our decisions and ministries, placing emphasis on resourcing the local church
- Various event changes to allow for greater relationship building among pastors — District Ministry Team Retreat, District Christmas Dinner
- Development of District Advisory Board Policy Manual to bring consistency and organization to DAB decisions and procedures
- District Assembly Format Change to allow for more training and greater accountability
- Mission Zone Tour from clusters to each Mission Area
- Restructure of the Board of Ministry from one central location to clusters, reducing the travel required by Ministers in Training as well as clergy serving on the board
- Creation of a Church Planting Task Force resulting in a New Church Development Strategy — We now have 20 churches at some stage of planting and more are on the way and we have turned around the downward trend of closing churches, now starting more than we are closing
- Investment Committee Task Force resulting in a corpus for funding ministry grants and ethnic ministries
- Finance Task Force resulting in a balanced operational budget (for the first time in at least 30 years) and eliminating the need to sell properties in order to maintain financial solvency
- New Subcommittee Structure for the District Advisory Board resulting in greater diversity and representation on the DAB (Also, the new structure allows for non-DAB members, creating a leadership development pipeline and more diversity)
- Creation of a MidSouth District Theology Conference designed to contribute to the theological coherence and development of our clergy

Although this is not an exhaustive list of all that has been accomplished, it does reflect the heart of the changes made in a desire to increase our missional effectiveness. Thanks be to God!

Our Missional Goals for FY23 were grouped into four categories: *Missional Inspiration*, *Missional Leadership Development*, *Missional Engagement*, and *Missional Accountability*. All four flow from the mission of the MidSouth District:

*Resourcing local churches for
effective participation in the Great
Commission*

Missional Inspiration

District Assembly

The Church Year began March 1, 2022 and our district calendar enjoyed a more “normal” rhythm. On April 28-29, 2022, our district gathered once again at Camp Garner Creek for our annual District Assembly. It was a great time of inspiration

and training. We had over 20 leadership seminars for all ages. I challenged our pastors to preach holiness throughout the year. Dr. Eugenio Duarte led our assembly and we ordained 6.

Family Camp

We enjoyed a fantastic Family Camp! Dr. H. Ray Dunning taught in our morning sessions from Peter's letters to the church. It was an incredibly rich time! Dr. John Juneman was our preacher for the evening worship gatherings. Dr. Juneman led us into a deep dive in 1 Corinthians 13. So good! Pastor Jordan Guthrie assembled a team of worship leaders to lead us each evening in authentic worship. God worked through all of our leaders to shape our lives both personally and corporately.

Mission Zone Tour

The Mission Zone Tour provided an opportunity for fellowship and worship. God's presence was obvious as we gathered all across our district. Thank you to all of our host churches and pastors for their great work in setting the context for this tour. Your hospitality was greatly appreciated.

- Memphis Mission Zone — Memphis Calvary
- Coastal Mission Zone — Hattiesburg First
- Capital Mission Zone — The Foundry
- Nashville North/South Mission Zone — Hermitage
- Columbia Mission Zone — Columbia Grace
- Clarksville Mission Zone — Clarksville First

Also, thanks to all the DMRC (District Ministry Resource Center) Team who worked so hard to make the Tour successful. Thank you for your support of our district. We're better together.

Ministry Team Retreat

Our annual retreat was held in the Gatlinburg area again this year. Approximately 100 of us gathered for a time of inspiration with the preaching of Rev. Kyle Poole and wonderful fellowship with each other. I so greatly appreciate the camaraderie on our district. Ministry can cause us to feel isolated in many ways. Events like this remind us that we are not ministering alone.

Soul Care

A group of us gathered at Camp Garner Creek for Soul Care. We had time to pray as we explored a different way to truly engage in prayer and meditation. God's presence was obvious among us.

Mission Zone Christmas/Post Christmas Gatherings

Many of our mission zones enjoyed getting together at Christmas (or right after) and sharing a meal. These types of events are important for relationship building and encouragement for one another.

Missional Leadership Development

Pastoral Training

I am grateful for Pastor Daron Brown and for his leadership of our Pastoral Training series. The theme was *Holiness* and our sessions were...

Biblical Theology of Holiness — Dr. Dan Spross (September 15, 2022)

Preaching Holiness — Dr. Dan Boone (November 17, 2022)

Innovative Leadership in Changing Culture — Dr. Olivia Metcalf (February 16, 2023)

These sessions, along with our previous sessions, can be viewed on our district website under the *Resources* tab (<https://www.midsouthnaz.org/resources/district-training/>)

Theology Conference

Our MidSouth District Theology Conference, under the wonderful leadership of Dr. Steve Hoskins, was blessed to have Dr. Randy Maddox as our presenter. The topic was Wesleyan Holiness with a specific perspective of John Wesley. Dr.

Maddox, one of the world’s foremost scholars on John Wesley, taught us well from the depths of his knowledge. A great number of us (largest attendance to date) gathered to learn and grow. The conference was exceptional!

DAC Vision Retreat

Our annual District Advisory Committee working retreat focused on the greatest needs in our local churches and on our district. We discussed Nazarene DNA of Christlikeness, Cooperation, and Accountability. We particularly focused on the counties within our district boundaries where there is no Church of the Nazarene. This strategic retreat was held at Camp Garner Creek.

I’m grateful for all who serve in leadership on our great district. God has truly blessed the MidSouth District.

Missional Engagement

Camp Garner Creek

CGC is vital to our ministries on the MidSouth District. We don’t simply use it because we have it; rather we have it because we need it as a tool for missional effectiveness. Rev. Finley and Lori Knowles, and their wonderful team, serve diligently and passionately to lead our camp in providing a meaningful ministry context for numerous groups. I’m so grateful!

We continue to work to improve our camp facilities. We are starting on the construction of the new dorm and as soon as our government provides what it promised, we’ll break ground on a new dining facility (above the flood plain). I’m grateful to Dr. Ron Jones and the Jones Legacy Group for their generosity to CGC in the gift of \$1 million for the construction of the new dining hall.

Hispanic Ministries

Pastor Eduardo Lelli continues to lead our ministries focused on reaching Hispanics across the MidSouth District. His report is part of our District Assembly reports. I encourage you to read it. In addition to the church plants started earlier, we are in the process of planting Hispanic congregations in Portland (TN), Limbar (TN), Dickson (TN), Memphis (TN), Cleveland (MS), and New Albany (MS). Springfield (TN) and Whitehouse (TN) are not too distant future plants.

Pastor Eduardo reports...

A constant prayer for us is: “Lord, send workers to the fields”. We have been blessed with the help of Susana Ricarte, a volunteer who has done excellent work in keeping us all together.

Our MITs are working in ministry as:

3	Letters supply pastors
2	To be Ordain this assembly.
4	New Dist. License
12	Renew License
15	Ordained
16	Local License
20	In the Pipeline (approximately)
72	Total

Black Ministries

Lay Pastor Monroe and his team led us in the second Shalom Summit. It was a wonderful event filled with worship and training. This time of worship, training, and inspiration is not just for our churches who focus on Black ministries. It is for everyone. Make plans now to attend next year’s Shalom Summit, to be held March 1-2, 2024 in the Memphis area (details forthcoming). I’m grateful to Monroe Ballard, Jr. for his leadership in this vital ministry in the life of our district.

New Church Development

We continue to place great emphasis on new church development and planting. Thank you, Dr. Bill Wiesman and our Great Commission subcommittee of the DAB for your work in this area.

Twenty-three of us from the MidSouth District joined approximately 400 other Nazarenes and 5,000 total participants at the recent Exponential 23 conference on church planting in Orlando, FL. This was again one of the greatest conferences I have ever attended. God is at work in the hearts of our pastoral leaders and churches are being developed.

We also continue to partner with Church on Mission in creating training opportunities for creative ways to plant *expressions of church*. God is helping us advance His kingdom and the MidSouth District is doing all we can to resource our churches toward the Missio Dei.

I asked the DMRC team for the number of churches we've started (at some stage of planting) in the last five years. As I stated above, the number is 20. Praise the Lord! This is a reflection of pastors and churches who have the vision from the Lord and are working to make that vision a reality. God is helping us!

Our strategy can be found at our district website (<https://www.midsouthnaz.org/church-plant/new-church-development/>)

Missional Accountability

Finances

The changes we made to our approach in recent years are proving to be effective. We have a balanced budget (again) and are operating with the highest of ethical practices.

I am grateful for every church who participates in the Nazarene DNA of the allocation system. The MidSouth District has a total of 117 Churches: 101 Fully Organized, 11 CTM, 5 Parent Affiliated Congregations. 115 of our 117 total churches contributed financially (12 of those contributed through their *mother church*). Generosity truly is the DNA of the MidSouth District. The following information reveals this reality.

Paid in Full or Overpaid (as of the time of this report — 4-20-23)...

All Allocations	95 Churches (90%)
DMF (District Mission Fund)	96 Churches (91%)
WEF (World Evangelism Fund)	96 Churches (91%)
TNU (Trevecca Nazarene University)	95 Churches (90%)
P&B (Pensions & Benefits)	96 Churches (91%)

Participating in the ministry of generosity is an *expectation we place on ourselves* as we have been led by the Lord.

Participating in the ministry of generosity is an *expectation* we place on ourselves as we have been led by the Lord. We truly can do more together. Thank you for your continued generosity and financial support of the ministries of our great denomination.

In fact, our generosity and financial support of the ministries of our great denomination resulted in...

<u>Allocation</u>	<u>% Paid</u>	<u>Amount Paid</u>	<u>Amount Over</u>
DMF	99.75%	\$ 966,670	
WEF	102%	\$1,142,321	\$21,319
TNU	98%	\$ 449,005	
P&B	99.78%	\$ 458,072	

Received for All Purposes
\$22,178,448
Given for Denominational Ministries
\$3,016,068 (14%)

Thank you for your willingness to engage in the process and take responsibility for the advancement of the Kingdom of God through the Global Church of the Nazarene, including the financial sustainability of our district.

MidSouth Great Commission Recognition

The MidSouth Great Commission Recognition was developed just before COVID impacted us. With the continued alterations to our counting procedures, it has been difficult to recognize the recipients of this award. However, we continue to grapple with missional effectiveness and want to acknowledge the following churches who qualify for this special recognition...

Ashland City — Pastor Shaun Sutton

Columbia Grace — Pastor Jason Caddy
Gallatin First — Pastor Kevin Rector
Goodlettsville — Pastor Philip Smith
Hendersonville — Pastor Duane Harris
Memphis Calvary — Pastor Lynn Holmes
Nashville First – Main Campus — Pastor Kevin Ulmet
Nashville Grace — Pastor Jonathan Trees
Nashville Trevecca Community — Pastor Shawna Songer-Gaines
Waverly — Pastor Daron Brown

The link to the criteria can be found on the district website — <https://www.midsouthnaz.org/resources/great-commission-award/>

Note: Attendance counting changed during the church year and is not factored into the requirements for FY23. It will be going forward.

NCMC

The Church of the Nazarene believes in compassionate ministry — always has. In fact, we believe in it so deeply we took our name (Nazarene) from a context of compassion for the poor. We, on the MidSouth District, share that commitment to Compassionate Ministry.

The global denomination recognizes the contributions made by generous people and churches to approved Nazarene Compassionate Ministry Centers. However, it is the responsibility of each district to approve and hold accountable our NCMCs.

We now have six NCMCs. Each one is partnered with a local Nazarene congregation.

Our Approved Nazarene Compassionate Ministry Centers are...

- House2Home
- Houston Levee Community Center
- Radical Mission
- Rest Stop Ministries
- Trevecca Community Church
- Welcome Home Ministries

The ministries of compassion offered through our MidSouth NCMCs include:

Addiction Services, Counseling/Support Groups, Food Distribution, Clothing Distribution, Education and Training, Prison Ministry, Reentry Services, Shelter/Housing Services, Youth/Children Tutoring and Development, Community Development, Employment Assistance, Family/Parenting Training and Assistance, Financial Assistance, HIV/AIDS Assistance, Immigration/Refugee Services, Justice/Advocacy, Pregnancy/Maternity Services, Health Care, ESL, Transportation, Prison ministry/Reentry services, Providing household items for individuals/families transitioning from homelessness

I'm so grateful for the ministry of our NCMCs. Lives are being saved, transformed, and restored. The Kingdom of Christ is advancing and Great Commission work is happening. You might find these statistics from our collective NCMCs inspiring.

People Served — approximately 25,448

Total Monies Received — \$2,053,792

The needs of our NCMCs range from finances to volunteers. All desire prayer.

I believe our NCMCs are incredible! Their work extends the Kingdom in ways many local churches cannot. The

generosity of the various donors is so rewarding, especially in these days.

You can discover more information for each NCMC on our website:

Missional Challenge

I left my house one morning to drive to the office (DMRC). When I left, my GPS estimated my arrival in 35 minutes. After five minutes on the road, traffic came to a complete stop and my GPS recalculated my ETA to be one hour. I called Jeff to let him know my arrival time, and I said these words: “I don’t know what’s going on, but I’m right in the middle of it.”

That’s the way I feel about our world today. We don’t know everything that’s going on, but we’re right in the middle of it.“

Yes, these are indeed challenging days to navigate. The times of greatest pain and challenge are most often the times of greatest growth and effectiveness. Throughout the centuries Christian leaders have refused to be defeated by cultural challenges. God has called us to go into all the world and make disciples. He promised His presence to go with us. The gates of hell will not prevail against the church. God has assured us of victory if we follow Jesus to the uttermost.

Here are some of the plans we believe to be Spirit-led endeavors.

In General

Denominational Leaders were told at a recent gathering that there was...

- A "COVID transition" drop in worship attendance of 7% in the COTN in the USA
- And that this is a continuation of a 17-year decline resulting in a loss of 31.4% in worship attendance in the COTN in the USA

I look at our own MidSouth District...

- Our merger year between MS and TN was 2015 (8 years ago)
- Number of Churches when TN and MS merged — 129 (I want to be careful to say 129 churches on the books, of which at least 10 were on paper only)
- Number of Churches we've closed since the merger — 33
- Churches with less than 2 Conversions in the last year — 43 (23 of which had 0 Conversions)
- Churches with less than 2 New Nazarenes in the last year — 51 (31 had 0)
- There are 121 counties within the boundaries of the MidSouth District
- We have churches in 47 counties. That means there are 74 counties on our district with no COTN.

Does this disturb us?

The theme for this year is *Thy Kingdom Come: Reviving the Church to Restore the World*. This raises questions for us...

- Can the church be missionally effective in our world today, a world that has rejected Christianity and the Church?
- Can a church that is 40, 50, 75, 110 years old be revived?
- Can we stop being influenced by culture and once again, with greater spiritual power, be used by God to make the world different?
- Where do we start the revitalization?

The Corinthian Culture of Paul's day is so much like our Culture today. I believe Paul's Response to the Cultural Conflicts and Compromise of the Corinthian Church can give us insight and direction for today.

Paul loved the Corinthian church and believed the people could be more effective than was currently the case. In his letter to the church in Corinth, Paul addressed five main issues.

- Divisions within the Church (Chapters 1-4)
- Sexual Ethics (Chapters 5-7) and Expectations
- Food (Chapters 8-10)

- Worship Gathering (Chapters 11-14)
- Resurrection (Chapter 15)

Lesslie Newbigin and St. Paul would articulate the problem as *syncretism with this culture*.

Instead of confronting our culture with the gospel, we are perpetually trying to fit the gospel into our culture, attempting to make the gospel culturally acceptable.

Instead of confronting our culture with the gospel, we are perpetually trying to fit the gospel into our culture, attempting to make the Gospel culturally acceptable.

Paul addressed every problem in Corinth — all 5 summarized as syncretism, trying to make Christianity Culturally Acceptable — in the same way:

1. He described the problem
2. He responded to the problem with the **Gospel** (i.e. the Good News about Jesus)

For Paul, for the New Testament Church, and for Christianity, The Gospel of Jesus is the announcement that the Kingdom

The Gospel of Jesus is the announcement that the Kingdom of Heaven is arriving in Jesus

of Heaven/God is arriving in Jesus.

Stated another way, there is a New King on the scene and His Name is Jesus! And, in His New Kingdom...

- The power of sin in our lives is broken
- We are set free from bondage
- The followers of this King are filled with His Spirit
- We are Empowered to love our neighbor — everyone — every ethnicity, nationality, tongue and tribe — as well as love ourselves
- We are continually being transformed into the living embodiment of the Love of God in our world
- We are invited to join His mission in the world
- We are granted/graced with eternal life in His Kingdom when there is nothing left on earth but His Kingdom

Tell all the forces of evil. Tell this culture. Tell the entire world — Jerusalem, Judaea, Samaria, and the ends of the earth — there is a New King in Town and His Name Is Jesus!

Every part of life is to be viewed through the lens of that Gospel!

Followers of Jesus must learn to live out the Gospel of Jesus in every area of our lives!

There is no doubt about the answer to the problem encroachment of Culture into the Church and the ways in which our churches can

be revived, renewed, revitalized — the answer is ... Jesus.

And that's what leads us to the starting place for revival, renewal, and revitalization in our churches today.

That's why Paul says in 1 Corinthians 2:1-2 (NRSV)

¹ When I came to you, brothers and sisters, I did not come proclaiming the mystery of God to you in lofty words or wisdom. ² **For I decided to know nothing among you except Jesus Christ, and him crucified.**

Everything is about ... Jesus!

Paul calls to us today across the chasm of time and challenges us to Preach ... Jesus!

¹⁷ For Christ did not send me to baptize but to **proclaim the gospel**, and not with eloquent wisdom, so that the cross of Christ might not be emptied of its **power**. ¹⁸ For the message about the cross is foolishness to those who are perishing, but to us who are being saved it is the **power of God**. ... ²² For Jews demand signs and Greeks desire wisdom, ²³ but we **preach Christ crucified**, a stumbling block to Jews and foolishness to Gentiles, ²⁴ but to those who are the called, both Jews and Greeks, Christ the **power of God** and the **wisdom of God**.

— 1 Corinthians 1:17-18, 22-24 (NRSV)

Preach Jesus!

Preach Jesus — Ridiculous divisions will be seen for what they are.

Preach Jesus — Pointless power plays in the church will be revealed for what they are.

Preach Jesus — It brings incredible clarity to sexual ethics.

Preach Jesus — It will call us to truly LOVE our neighbor as ourselves, loving them *into* truth rather than a false love that deceives people into thinking they do not need transformation.

Preach Jesus — It will bring depth and power to our worship gatherings.

Preach Jesus — It will bring hope to the hopeless and make the present life missionally meaningful.

Preach Jesus — It releases the Power of God to work in our lives and in our world.

Preach Jesus — We will become missionally effective in a world seeking to destroy our identity in Christ.

Preach Jesus! THAT'S THE STARTING PLACE!

Preach Jesus and the Gospel of Jesus!

The only way to change the world is to start at the right place — Preach Jesus!

Everything must flow from the Gospel of Jesus — Preach Jesus!

The only way our churches are going to experience revival, renewal, and revitalization is — Preach Jesus!

Start there — there is more to do after you start there, but there is nothing of value you can do if you don't start there!

Can the church be Renewed? Revived? Revitalized?

Can the church effectively engage with the Holy Trinity in the Missio Dei in our world?

And the answer is a resounding YES ... if we preach Christ Jesus and Him crucified!

Alan Hirsch noted that in AD 100, after the ministry of the Apostles, there were approximately 25,000 Christians in the world. By AD 310 there were an estimated 20 million Christians in the world. If that is even close to accurate, that is absolutely breathtaking!

- In the midst of persecution
- Before the Bible had been canonized
- With church councils still formulating doctrine
- Before the internet
- Before telephones
- Before marketing campaigns
- Before beautiful cathedrals
- Before social media
- Before streaming worship services

How did they do that?

- They lived, breathed, and embodied the gospel and mission of Jesus; they did not compartmentalize their lives.
- Jesus was their identity.
- Jesus was their life.

“The stage is being set for another great awakening. Rather than continue to lament the loss of ‘Christian America’ it’s time to reclaim our New Testament nerve and recover our apostolic mojo.” — J.D. Walt

- Jesus was absolute Lord of everything in their lives!

I'm not optimistic! I'm *more than* optimistic. I HAVE A HOPE THAT EATS OPTIMISM FOR LUNCH!

My hope is built on nothing less than ... Jesus' ... blood and righteousness.

As I travel around our district I see in the faces of our people a real hunger for a move of God in our world and in our time.

This hunger pervades all generations.

That's why TNU students and many others boarded vans and travelled to Asbury — hungry for God.

That's why many of us who could not go to Asbury turned on the live stream and just basked in the presence of God — hungry for God.

That's why some of us joined about 5000 people — mostly younger generations — at a conference on church multiplication — hungry for God.

We need renewal, revival, revitalization in our churches for the sake of our world. We'll be talking about this and keeping this before us for at least the next year if not longer.

I'm asking our pastors to preach a series of messages on Jesus this year. Go back to the basics. Don't assume people really know who Jesus is. Preach through the gospels, preach through Hebrews, preach Jesus! There is so much material available to us that I don't need to give it to you. Preach Jesus!

People need to fall in love with Jesus again. Preach Jesus! Lead your people in Bible Studies on Jesus!

Let your church become a place where people see Jesus, encounter Jesus, meet Jesus, and are transformed by Jesus. Preach Jesus!

*Let your church become a place where people see Jesus,
encounter Jesus, meet Jesus, and are transformed by Jesus.
Preach Jesus!*

I don't know what's going on, but we're right in the middle of it. And, while we're right here in the middle of it — Preach ...Jesus!

Gratitude

A song people are singing in churches these days says, *“Come on my soul, don't you get shy on me. Lift up your song. You have a lion inside of those lungs. Get up and praise the Lord.”*

I want to stand and lift up my song in praise to the Lord for all the wonderful leaders, churches, and people who have served on the MidSouth District toward the goal of the Great Commission.

My heart overflows with praise for the presence of God among us. God has walked among us. Just like He did in the Garden of Eden when Adam and Eve were hiding. God has walked among us in our brokenness, in our shame, and in our pain. We have heard the sound of His footsteps in the rustling leaves even when we could not see Him. God walks *through* all who are Christ followers into the broken world around us. I'm so grateful for the presence of the Living God among us!

God's presence wears human faces and His presence is being reflected in the people around me. I could not lead this great district without the incredible team of leaders alongside whom I am privileged to serve. We truly are better together.

Therefore, it is very important to note that the ministry of the MidSouth District cannot be accomplished without the combined efforts of our DMRC Team along with all of our district leaders. Rev. Eduardo Lelli, Rev. Jeff Sexton, and I continued to visit our churches during the year, meeting with church boards, preaching, consulting, and fulfilling the responsibilities of the district. Together we pledge to resource local churches for effective participation in the Great Commission.

I have the privilege of serving with some of the finest people I've ever known! I'm grateful!

I am also thankful for my wife, Karan. For over 41 years she has been a means of God's grace to me and to our family. She prays with me, thinks with me, grapples over the issues we face, and shares the burden of leadership with me. And, Karan prays for you, calling the name of every pastor and spouse in prayer each week. I'm so grateful for the gift of God to me in Karan.

Conclusion

Since becoming District Superintendent in 2018, I have learned new dimensions of prayer. Praying without ceasing has expanded in practical ways. You and the advancement of the kingdom are continually on my heart and mind and I pray for you. I pray that God will bless you, inspire you, comfort you, encourage you, and give you His vision. I pray for God to supply your every need as it relates to His Kingdom Advancement.

I have served as your District Superintendent for five years, now. I feel even more honored and humbled to have been entrusted with this vital ministry role. I am grateful to be involved in the Great Commission *with* you.

May God continue to lead us deeper into Himself and into His world for the sake of the gospel.

Respectfully submitted to Christ and in service to the MidSouth District,

DR. DWIGHT M. GUNTER II

2. District NMI President

Nazarene Missions International (NMI) is the organization responsible for engaging and mobilizing the local church to engage in missions in the Church of the Nazarene and is the denomination's representative for missions on the district and in the local church. It focuses on five strategic areas where the local church can have maximum impact on missions: Prayer, World Evangelism Fund, Alabaster, Engaging Children/Youth, and Care & Connect.

What a year it has been. This being my first year I certainly learned that I did not know what I did not know about being a district NMI President. Fortunately I had a lot of people come alongside me to help me get my feet under me. I'd like to give a special work of thanks to Becky Farley my predecessor for being so patient with me as she answered so many of my questions and helped to make the transition as smooth as she possibly could. Another person who was a huge help to me in the past year was Reetu Height our district NMI Treasurer. She helped me understand the financial side of NMI, but also was a fantastic resource in other areas. I would be remiss if I did not also mention our district superintendent who took time to meet with me to give me guidance and support whenever I needed it. A huge thank you also to Jeff Sexton and the office staff at the MidSouth district center who helped me understand the administrative aspects of the role and also helped me

make my deadlines (and gave me grace when I fell short on that goal). Finally a huge THANK YOU to the district council and all the local presidents who are the true heroes of NMI. Without your participation and help, my role would be pointless.

Giving

One of the way that NMI makes a huge impact on the mission of God around the world is by helping to raise funds for the World Evangelism Fund. The MidSouth district came through in a big way for the World Evangelism Fund. Virtually every church on the district contributed to the World Evangelism fund. Because of the generosity of the many churches of the MidSouth District we were able to raise \$1,139,036 to support the denomination's global mission efforts. On top of that we came out in a big way to support the various mission specials available to support in the Church of the Nazarene. We raised over \$70,000 for alabaster offering; isn't it amazing how far our loose change can stretch! We participated in child sponsorship to the tune of \$69,526. That is a most 200 children sponsored every month through our district. We also contributed over \$82,000 to missionary deputation offerings. This incredible generosity will fuel the ministry of the church around the world.

Work & Witness

One of the highlights of the last year was the chance for our district to participate in a Work & Witness short term mission trip. Because of COVID we had not been able to go on a trip in quite a while. So in October 2022 we dusted off our passports and took a trip to Africa Nazarene University in Nairobi Kenya. 31 people from all over the district went on this wonderful trip. We were able to bless the University with an upgraded state of the art classroom and also beautified the campus by applying several thousand square feet of new paint to their multi-purpose building. It was such a blessing for us to be able to participate with missionary Rob North to help the students of Africa to engage in a Christian education.

*Respectfully submitted,
KEVIN RECTOR*

3. District NYI President

Dr. Duarte, Dr. Gunter, Rev. Sexton, and my MidSouth NYI Family!

It is hard to believe that this is already my fifth report to this convention and assembly as the President of the Midsouth NYI. Five years have passed so quickly, and those five years have been some of the most interesting, challenging, and rewarding years of ministry; personally, locally, and on this great district.

The MidSouth NYI continues to exist for the purpose of supporting local youth ministries and leaders for effective participation in the Great Commission. We do so through event programming, leadership development opportunities, and through personal connection and encouragement across our vast district. We believe that at the root of any great district are great local youth ministries that are poured out of the hearts of Youth Pastors, Leaders, Sponsors, Chaperones, and other caring adults who are passionate about seeing young people come to Jesus.

The world we live in can sometimes seem so dark, so chaotic, and so distracted. Students can experience some of the most astonishing cruelty in the form of a text message or a social media post. Even recently as I write this report we are learning of a shooting that took place at a Christian School in Nashville. The weight of this darkness can sometimes feel overwhelming.

This season has felt heavy for me personally as I minister to the kids back home that I love so much. I want so much for them to know the deep and satisfying love of Jesus. I want them to know what it is to have peace in the midst of a storm. To trust that Jesus sees them. That he has created them for a destiny and a PURPOSE. I long for them to know that their true value is not determined by likes on a screen, or their willingness to fall in line with whatever is trending online.

The work that we do matters. The time that we invest in relationships matters. The silly games, the long weekends, the time around a fire, or throwing a football. It matters. Sometimes youth ministry carries pressure to perform and pressure to produce numbers and results. We are tasked with teaching kids how to have faith and follow Jesus when some of them aren't even sure they want to yet. It is like force teaching them math at times, and that can be stressful.

But stressful doesn't mean it isn't worth it. Amid all the pressures and the temptation to compare yourself and your group to other ministries I want you to hear today, that God has intentionally placed you and gifted you to be you and to love the students that you have opportunity to influence during this season. Be present for them. See them. See the image of God inside of them that they cannot yet see in themselves.

And we're here for you. Here to help you find the resources you need. Here to connect and share the joys and frustrations. Here to dream together and inspire each other's creativity. Here to pray and to partner.

“Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up”.
Galatians 6:9

As a team. As a district. As a family. Here is how we showed up together in 2022.

After two years of cancellations **TNT@TNU** was back last year and the MidSouth had a strong representation with 339 students and leaders present for an incredible first event back. Our challenge for the year focused on resetting and reminding ourselves of the reason we have TNT, to look in the mirror and see the image of God and the gifts he has given us that are FROM GOD, FOR GOD, and in Service to others. We took time to remember the beauty of what it is to be the Southeast NYI Family, to look around the room and see that even though we may compete on a field or with our solos... We are not each other's competition. It is far too easy to get caught up in the competitive aspect of an event, and even to let competition be the motivating factor in our life. And when we see life as a competition, then everyone else is our competitor, and that is not the call that God has given to the church or to us. We shared wristbands with one another throughout the weekend as a way of saying, “I see you. I see God's gifts in you” and to celebrate each other and unify our field family.

I pray that this same sense of unity and family will continue to seep through and spread throughout our Field Family, our District Family, our local churches, and our personal relationships. That the Love of God would fill us in such a way that we can see and celebrate the gifting in one another, put aside the competition mindsets, and seek the kingdom of God together.

Camp 2022! 488 High school and 377 Middle School students filled the tabernacle, the dorms, the streets, and the creek at one of our favorite places on earth! Great speakers, passionate worship, incredible times of response and prayer marked another great year of setting aside time to be together as a family and focus on what God wanted to shape in us, call out of us, and call us to as followers of Jesus. Of course, we had fun, played tournaments, ate SO WELL, and laughed a TON. The MidSouth NYI Camps team are some of the best in the business and we are blessed to have such creative and passionate people leading our camp experience each year. Camp Garner Creek holds a special place in the hearts of so many families across our district and it was for that reason that one of my own students had arranged with me to be able to do his baptism in the creek here, during middle school camp. After scheduling that baptism and talking with another family it was clear. We would be doing two baptisms at the creek during camp. Well, the Lord does what he does and moves on the hearts of His students and creates opportunity for them to respond and they did. During the first baptism time the offer was given for anyone else who felt compelled to enter the waters of baptism and immediately a hand went up in the air. With some phone calls to parents and permission given we baptized 10 students from my church that afternoon and the next morning. God is good, and that is a camp I'll never forget! Praise God!

MidSouth Momentum saw 562 youth and leaders gather on the Hill at TCC and Trevecca as we spent time displaying talents, competing together in sports and arts, being challenged by Pastors Jeremy Duranceau and Jennifer Geiger as well as being discipled by an entire team of leaders who give of their time and their own talents to lead students in deepening their faith by living it out in the areas where they do life outside the walls of the church. Pastor Jeremy Duranceau told a great story about getting to drive a NASCAR and how there had been so much excitement and talk about how great it would be, but it wasn't until he strapped on the helmet, climbed in the car, and felt the power of the engine as he went flying around the track, that he fully understood what the hype was all about. His challenge to our students was not to stop short at buying the hype about Jesus and just knowing about Him. But to fully invest themselves in a life with Christ and to experience for themselves the fullness of what it means to be on the journey with Jesus!

Pastors' Kids Retreat moved to Laguna Beach Christian Camp near Panama City Florida and the MidSouth sent fourteen pastors kids this year to participate once again with Pks from all over the Southeast Field. Remember that the NYI Council covers 50% of the registration cost per PK so make sure you are watching the Website, Facebook Leaders Page, and the email so that you don't miss out on sending your PK this year. This is a special time for these students and trust me when I say you want yours to be there.

Bible Quizzing continues to be valued and valuable piece of the MidSouth NYI! This year there were an average of 55 quizzers representing 9 churches from across middle Tennessee who quizzed together from October to February. My own local church had a team of quizzers this year and they had a great time meeting students from across the district, and gathering together once a month to compete with what they had learned in the book of Acts. The MidSouth has an IMPRESSIVE group of kiddos who study hard and put in tons of work learning the word and I encourage you all to talk to Rick and Andral about what it would look like to get a team started at your church. They really do have everything necessary to help you get started.

We are proud of our quizzers and look forward to seeing them represent us well at TNT and NYC this Summer.

Speaking of **NYC 23**, We are SO excited for the three hundred and eighty-eight students and leaders from across the MidSouth who will be traveling to Tampa in July for NYC23 Overflow! We will be the second largest group in attendance and we are so eager to see all the ways that God will show up and overflow the lives of our students as we worship together, serve together, and experience the presence of God with close to 10,000 NYI from USA/CANADA.

I want to take a moment and thank Jamin Wentworth for the hours and hours and thought, and prayer and planning that he has put into making this trip happen for all of us on the MidSouth District! Coordinating transportation, food, and lodging, for almost 400 people is quite an undertaking and I just want to say a HUGE Thank you to Jamin and the folks who have been or will be helping him with the details throughout our NYC Experience.

It has been an honor to serve the MidSouth NYI as President and I look forward to what God will do in and through us in the coming year. We are BLUE, we are GREEN, We are... MidSouth!

JEREMY W. BYLER, *President*

4. District NDI Chair

Dr. Duarte, Dr. Gunter, Rev. Sexton, and our MidSouth District Assembly:

In 1 Corinthians 1 Paul says these words that I borrow today in view of you, the MidSouth District. *“I always thank my God for you because of his GRACE GIVEN you in CHRIST JESUS. For in Him you have been enriched in every way-with all kinds of speech and with all knowledge-6God thus confirming our testimony about Christ among you. Therefore, you do not lack any spiritual gift as you eagerly wait for our Lord Jesus Christ to be revealed. He will also keep you firm to the end, so that you will be blameless on the day of our Lord Jesus Christ. God is faithful, who has called you into fellowship with his Son, JESUS CHRIST OUR LORD.”*

We are on this Journey of Grace together and I am so thankful for you and His prevenient grace, His saving grace, and His sanctifying grace that we have the privilege of witnessing in the congregations of the local churches of the MidSouth District.

As we look back at this past year and look forward to a new year, I pray we will always put prayer first...

Hopefully many of you have made your church a house of prayer as Jesus taught us.

As our USA and Canada Region leader has reached out for us to be a part of a global initiative. Please join with us in this Prayer Mobilization.

This year as we watched revival break out at Asbury and desired to be a part of it, to bring it to our own cities and congregations, let us remember that it all started with a handful of students hungry for God. They bowed in prayer & prayed for God to come. Let us keep prayer a priority in our own lives. What would our churches look like if we came hungry for God, humbly bowed, and prayed until God came.

This year during our workshops we will be having Prayer workshops to include, one on our Prayer mobilization initiative, one with our Young Adults, and one praying over our territories as we pray for workers of the Harvest and Church Planting.

This year we are engaging in discipleship. Helping the Lost, the broken, those seeking to follow Christ. All our workshops at District Assembly will continue to train us to be better disciple makers, that is our goal.

I am Thankful for all our Team that helps make this happen and the other work of discipleship on our District. At this past Assembly Sabrina Jones took on the Role of our Adult Ministries Director and once she got comfortable in her new role, she has done a great job. I would like to recognize her and her team that she has been busy organizing/re-organizing to fit the needs of our District.

They had their 1st retreat this year in Gatlinburg which was very successful.

Nazarene Motorcycle Fellowship Rev. Joe Drake
Taking the Place of Rev. Ron Bailey who led Motorcycle Ministries for the District for many years and was presented with a second mile award at our NDI Dinner.

Sage/Senior Adults Sharron Shands
Who had stepped out of this position after serving many years and passed the torch to Roger and Patsy Fillebaum who have served several years and this year our Friend Roger went to be with Jesus. We were saddened for Patsy and the family, and we will miss our friend but we rejoice in knowing He is with our Lord Jesus.

Thankful to Patsy and Roger/ Patsy received our 2nd Mile Award at our NDI dinner and Sharron for all her work in the past and stepping back in until we can find a new Leader for this group, she also received a 2nd mile award at our NDI dinner.

This is your MidSouth District Adult Ministries Team

C. ASSEMBLY COMMITTEES

1. Finance Committee

We, your District Assembly Finance Committee, acknowledge that the managing, disbursing, and accounting of church finances require the most prayerful consideration, careful planning, and diligent execution of our responsibilities. It should involve us in the full range of the church's interests. We, therefore, submit recommendations in these areas of concern.

I. Funding the Mission

We recommend:

1. That the MidSouth District Church of the Nazarene be in full agreement with the *Funding the Mission* policy, as set forth by the General Board in February 2009. The *Funding the Mission* is a Global Plan based on the "tithes and offerings concept." Each church should monthly report their tithes and offerings online using the formula and calculator as provided by the Global Ministry Center. The basis of this concept is figured on the current weekly/monthly tithes and offerings that receive charitable contribution receipts, less giving for World Evangelism and Approved Mission Specials. The tithe concept allows support of 5.5% for World Evangelism; 2.25% for Pensions & Benefits; and 2.25% for Education.

2. That 4.75% remain as the District Mission Fund allocation (District Administration, Ministry Grants, NDI, NYI and NMI) for FY2023-2024.

3. The World Evangelism, Pensions and Benefits, and Ten Percent Mission Special dollars can be paid through the online giving tools at [Funding the Mission | Church of the Nazarene](#) or, if online giving is not feasible, made payable to the General Treasurer, and mailed to Global Treasury Services, Church of the Nazarene, P. O. Box 843116, Kansas City, MO 64184. The District Mission and Education Funds can be paid through the online giving tools at [Funding the Mission | Church of the Nazarene](#). If online giving is not feasible, District Mission should be mailed to the District Ministry Resource Center, 70 Hart Street, Ste. 101, Nashville, TN 37210, and Education Funds mailed to Trevecca Nazarene University, 333 Murfreesboro Road, Nashville, TN 37210. It is encouraged that the appropriate funds calculated be remitted in a regular and timely manner to the proper place.

4. We encourage every church to utilize the Church of the Nazarene Foundation to facilitate planned and deferred gifts from their members to any Nazarene ministry, including gifts to the local church. Visit www.NazareneFoundation.org or call 866-273-2549.

II. The MidSouth District Ministry Resource Center

A. The District Mission Fund

We recommend:

1. That the district treasurer be authorized to allocate the District Mission Funds according to a percentage formula in harmony with the recommendation set by the District Assembly Finance Committee.

2. That the District Camp Board be authorized to administer all funds under their jurisdiction, as approved by the District Advisory Board; and that they prepare and submit a financial report to the District Advisory Board at least quarterly and an annual report to the District Assembly.

3. That the Ministry Grant Budget be administered by the District Advisory Board, with funds received by the district treasurer and disbursed with the approval of the District Advisory Board.

4. That the District Advisory Board be authorized to transfer funds, as deemed necessary, between the District Administration and Kingdom Advancement Resources funds.

B. Related information

We recommend:

1. That the district departmental chair leader (District Superintendent, Camp Board chairman, NYI president, NDI chairman, and the NMI president) be authorized to requisition approved funds.

2. That all ministries funded by the District Mission Fund (District Administration, Kingdom Advancement Resources, NDI, NMI, and NYI) present to the District Assembly Finance Committee a proposed annual operational budget for their consideration and approval and that auxiliary account reserves (NDI, NMI, and NYI) be held at 50% of requested budget/anticipated expenses. When reserve balances exceed the recommended percentage, the resulting balance will be used to fund anticipated operational auxiliary expenses.

3. That District Administration mileage reimbursement is provided at the current IRS approved rate and only to those attending the District Advisory Committee Retreat or the Board of Ministry and travel 150 miles or more roundtrip.

III. Educational Institutions

We recommend:

1. That the MidSouth District support special offerings for Nazarene Theological Seminary and Nazarene Bible College.

IV. Ministerial Support

A. The District Superintendent

We recommend:

1. That the District Superintendent be given an annual vacation of 5 weeks.

2. That the district make provision for the District Superintendent's health insurance and pay for general church life/accident insurance premiums, income protection insurance, and reimbursement of the total amount of Social Security and Medicare (SECA).

B. The Pastor

We recommend:

1. That each church board review the pastor's salary, benefits, and church-related expenses no later than two months before the close of the fiscal year and that these matters receive priority in the planning of the church's budget and that these are considered in relation to the inflationary index of the cost of living. Merit increases should be considered in the assessment of pastoral support.
2. That each church provide adequate parsonage facilities, including utilities, or that a housing allowance be given.
3. That each church assume the full amount of the pastor's health insurance premium and reimburse fully Social Security and Medicare (SECA) payments, which shall include calculation on the fair market rental value of the parsonage.
4. That each church board consider providing disability income protection insurance for its pastor.
5. That each church board consider setting up a tax-sheltered annuity plan for the pastor and full-time staff.
6. That each local church pay the expenses of their pastor and spouse to all district and general church meetings to include workshops, retreats, and Family Camp. Consideration should be given to establishing a fund to meet these needs.
7. That the pastor's vacation time (based on total years of full-time service in the COTN) be: 1 - 5 years -- 14 days; 5 - 10 years -- 21 days; 10 - 20 years -- 31 days; over 20 years -- 35 days. This vacation time does not include time he/she devotes to district and general church activities, which are a part of his/her professional duties, and that he/she be encouraged to set aside at least one day per week for rest, renewal, and relaxation. The local church should also determine if earned/unused vacation time carries over from year to year and if so, at what rate.
8. That the pastor's professional expense be reimbursed by the church as a recognized cost of doing ministry.
9. That the local church strive to consider implementing Manual paragraph 129.10. To encourage the lifelong learning of the pastor in spiritual, emotional, and educational dimensions, the church board, in consultation with the District Superintendent, should consider supporting a sabbatical/study leave for the pastor during the seventh consecutive year of service in one congregation.

Rationale:

a. Physical & Emotional: Statistics show that record numbers of pastors are leaving the ministry due to burnout related to job and family stress. Every full-time pastor and ministry staff person is urged to take at least one day (full twenty-four hours) each week for relaxation and refreshment of the mind, soul, and body. Since church calendar and emergencies often make it impossible to observe a full day off every week, we recommend that compensating days off be given and that the local church support by insisting that time off be taken.

b. Spiritual: Realizing that pastors face stress, pressures, and exhaustion that result from carrying the burden on a 24-hour-a-day, seven-days-a-week basis, the local church should periodically grant its pastors extended time away for rest, renewal, prayer, and spiritual growth, in addition to vacation time. (The pastor should have completed a reasonable period of service in the current assignment and for those with less tenure, consideration may be given to granting extra days away for rest, renewal, and study.)

- (1) Five days for prayer, study, and renewal may be given every seventh month.
- (2) A sabbatical of four to seven weeks should be granted in the seventh year of ministry in the current assignment. Full salary and benefits should continue during this time with special sabbatical funding to be considered separately, and the church board, in consultation with the pastor, should plan for pulpit supply and pastoral care during the sabbatical so the needs of the congregation are met.
- (3) We urge that members of the local church encourage and uphold their pastors and families in prayer at all times and during special times away.
- (4) We encourage local churches to provide support for pastors and families to observe regular opportunities for time away.

C. Other Ministers

We recommend:

1. That since God has declared that "the laborer is worthy of his hire," careful consideration be given to providing adequate remuneration to our evangelists. Because of factors such as idle months during the year, heavy travel expenses, the maintaining of a home, these men and women should be paid for Social Security and Medicare (SECA) due on offerings from the local church. The local church where they hold membership should remember them with a gift at Christmas time.
2. Recognizing the contribution made by our retired ministers, churches should express appreciation for them by presenting them gifts on special occasions.
3. That, as more of our churches are now in multi-staff situations, our church boards give attention to adequate remuneration for these ministers with consideration for Social Security and Medicare (SECA) reimbursement, professional expense allowances, housing allowances, sabbatical and vacation leave, and other benefits.

V. Fiscal Responsibility

We recommend:

1. That each pastor present the scriptural doctrine of storehouse tithing and church support regularly.
2. That each local church adheres carefully to the *Manual* requirements and direct:
 - a. That a committee of two or more persons count all monies received by the local church, and that a record of these receipts be given to the pastor and treasurer each week.
 - b. That the books of the treasurers be audited annually, and the auditor's report be read to the annual meeting.
 - c. That the books of all treasurers of the local church be readily available to the pastor at all times.
3. That the church board, or a finance committee appointed, prepare a budget prior to the beginning of the church year, anticipating the financial needs of the church.
