III. MINISTERIAL PREPARATION

Studies Chair: James Lunsford, 2713 Fly Rd., Santa Fe, TN 38482; E-mail: james@go2hunt.com (931) 682-2718

The District Board of Ministry (BOM) serves students who are preparing to enroll or are properly enrolled in the Course of Study. Enrollment is open to local ministers and local lay ministers.

MODES OF STUDY

The Board of Ministry (BOM) oversees all modes of ordination preparation for both elder and deacon ministerial candidates. To accomplish the goals the Church of the Nazarene has for all its ministers, the church has adopted a Modular Education Program (MEP) that gives attention to content, competency, character, and context. This series of measurable outcomes (“abilities”) are listed in Appendix A of the *Guide to Ministerial Preparation and Ordination*:

<http://www.nazarene.org/sites/default/files/docs/Clergy/GuideToMinisterialPrepAndOrdination.pdf>

These abilities should be achieved regardless of whether ministerial preparation is pursued via the college and seminary method or any of the various approved methods.

The recommended method/mode of preparation is graduation from a Nazarene liberal arts college/university and Nazarene Theological Seminary in Kansas City, MO. Other methods/modes of ministerial preparation are Nazarene Bible College (NBC), MidSouth District Modular Education Program, Hispanic Center of Biblical Studies, and coursework offered on-line through approved institutions.

Module classes are offered by the MidSouth District throughout the year. Candidates should contact the District Ministry Resource Center for information pertaining to registration for these classes and guidance in pursuing the Course of Study. Information about the curriculum and class schedule is announced through various avenues such as www.midsouthschoolofministry.org and through email notifications sent by Greg Nash, Registrar. To receive module/class announcements or to register for modules offered by the MidSouth District, please contact Greg Nash at gnash@calvarychurch.net or (901) 386-8988.

The *Guide to Ministerial Preparation and Ordination* is available as referenced above is available for download. Each candidate should become familiar with the information in this resource.

Candidates for the District Minister’s License meet annually with the District Board of Ministry to demonstrate progress and to determine direction for continuation to licensing and ordination. The 2022 meetings and interviews are scheduled for January and will be held in four separate Mission Cluster sessions and three locations. All participants in the Course of Study are required to pass a minimum of 2 courses (subjects) or modules each year before the recommendation for renewal of the District Minister’s License can be made by the BOM. Those wishing to apply for District License must have held a local license in their local church for one year, be recommended by the local church board, submit a letter of recommendation from their pastor, and have completed at least 25 percent of the Course of Study to include Exploring Nazarene History and Polity (6 modules or 20 semester hours of college/university credit).

Students are responsible for submitting documentation, such as official transcripts or module class records, to the BOM for academic standing and evaluation. Yearly updates should be submitted to the BOM showing completed course work. The final transcript or course record will be evaluated by the BOM to verify graduation from the Course of Study.

Any questions may be forwarded to District Secretary Jeff Sexton – jsexton@midsouthnaz.org; (615) 255-2929.

It is also important to know that according to Manual paragraph 529.6, once a minister has fulfilled the requirements of a validated course of study for ministry, he or she will continue a pattern of lifelong learning to enhance the ministry to which God has called him or her. All assigned and unassigned licensed and ordained ministers shall report on their progress in a program of lifelong learning as part of their report to the district assembly. A minimum expectation is 20 hours of lifelong learning each year. The MidSouth District pastoral training programs offer multiple opportunities to assist with meeting this annual requirement.

Dr. Gunter preached a sermon “Holiness Is What I Long For.” His points were as follows:

1. WHY holiness?

A. It is the nature of God

B. The State of the World

“The influence of culture shows up in our churches more than the influence of our churches shows up in our world.”

2. WHAT is holiness?

Holiness = Christlikeness.

3. How does this transformation – this holiness - happen in our lives?

Through our Spirit-empowered commitment of our entire self to the pursuit of the image of Christ and the participation in spiritual practices. Holiness begins with a holy-love God. The presenting of our entire self to God is a moment in time. The transformation of our entire self is a process throughout time.

4. WHO is going to preach/teach/live it?

You! Me! Us!

“Pursuing the divine image is not something we grasp - it is something that grasps us.”

During an altar call, “Come Again” was sung, and was followed by Holy Communion.

V. REPORTS

A. DISTRICT OFFICERS

1. District Superintendent

Report of the District Superintendent

2022

At times the year almost felt *normal*. At other times, not so much! Does that describe your year, too? We have been confronted with the rapid pace of change our world is experiencing these days and it has left some of our people wondering if we will ever get back to the old *normal*. The answer is *no*. And we know this deep down in our hearts.

Instead, we find a new *normal*. We, like all followers of Christ preceding us, find ways to minister to the world in which we find ourselves. We completely trust the Holy Spirit to inspire and guide us into effective ways in which we can join God in His Great Commission in the world in which we find ourselves.

We are doing just that.

Our Missional Goals for FY22 were grouped into four categories: Missional Inspiration, Missional Leadership Development, Missional

Resourcing local churches for effective participation in the Great Commission

Engagement, and Missional Accountability. All four flow from the mission of the MidSouth District:

Missional Inspiration

Family Camp and District Assembly

The Church Year began March 1, 2021. We moved our District Assembly to the end of Family Camp so we could have the possibility of an in-person gathering for our assembly. And, what a great Family Camp and Assembly we enjoyed! Dr. H. Ray Dunning taught the letter of Hebrews in our morning sessions. It was an incredibly rich time. Dr. David Busic was both preacher for Family Camp and our General Superintendent for our District Assembly. God used him to shape our lives both personally and corporately. We ordained 19 and recognized the credentials of another (this includes people approved for ordination from FY20).

Mission Zone Tour

The Mission Zone Tour provided an opportunity for fellowship and worship. God's presence was obvious as we gathered all across our district. Thank you to all of our host churches and pastors for their great work in setting the context for this tour. Your hospitality was greatly appreciated.

- Memphis Mission Zone — Memphis Calvary
- Coastal/Capital Mission Zone — DaySpring (combined due to COVID outbreak)
- Nashville North/South Mission Zone — Trevecca Community Church
- Columbia Mission Zone — Columbia Grace
- Clarksville Mission Zone — (cancelled due to Covid and Flood)

Also, thanks to all the DMRC (District Ministry Resource Center) Team who worked so hard to make the Tour successful. Thank you for your support of our district. We're better together.

Ministry Team Retreat

Our annual retreat was held in the Gatlinburg area again this year. Approximately 100 of us gathered for a time of inspiration with the preaching of Dr. Randall Davey and wonderful fellowship. I so greatly appreciate the camaraderie on our district. Ministry can cause us to feel isolated in many ways. Events like this remind us that we are not ministering alone.

Soul Care

A good group of us gathered at Camp Garner Creek for Soul Care. We had time to pray as we explored a different way to truly engage in prayer and meditation. God's presence was obvious among us.

Mission Zone Christmas/Post Christmas Gatherings

Many of our mission zones enjoyed getting together at Christmas (or right after) and sharing a meal. These types of events are important for relationship building and encouragement for one another.

Missional Leadership Development

Pastoral Training

Our gratitude to Pastor Daron Brown for his leadership of our Pastoral Training series. The theme was Commissioned: Living and Leading the Church in Fulfillment of the Great Commission.

Sessions included...

Commissioned Under the Authority of Jesus Christ: Lordship and Ecclesiology (Dr. Steve Hoskins)

Commissioned Into All Nations: Missiology & Diversity (Dr. Carla Sunberg & a panel of leaders)

Commissioned to Make Disciples: Evangelism & Discipleship (Dr. Philip Zimmerman)

These sessions, along with our previous sessions, can be viewed on our district website under the *Resources* tab (<https://www.midsouthnaz.org/resources/district-training/>)

Theology Conference

Our Theology Conference (Oct. 11-12, 2021) presenter was Dr. Priscilla Pope-Levison, author of [Models of Evangelism](#). The theme of course was Evangelism. The conference was exceptional! Thanks to Dr. Steve Hoskins for leading this crucial resource for our pastors. We're trusting God for much fruit.

DAC/MZC Vision Retreat

Our annual District Advisory Committee working retreat was expanded to include our non-DAB subcommittee members as well as our Mission Zone Coordinators. This strategic retreat was held at Camp Garner Creek. One of the changes that emerged from this retreat was our new attendance counting approach.

I'm grateful for all who serve in leadership on our great district. God has truly blessed the MidSouth District.

Missional Engagement

Camp Garner Creek

Just when you thought it was safe to go back into the water, so to speak, the water came back to us! We thought the 2019 500-year flood was bad! It was, by the way. Then the pandemic created cancellations and shut-downs. Then, at the end of the summer we experienced the 2022 1000-year flood. CGC and Waverly (church and town) were devastated by the flood waters. God intervened in saving the lives of people at CGC and we're grateful. God is also redeeming the disasters and bringing about new possibilities at CGC. We will announce the projects of TBAM (10 Bucks-A-Month Club) as well as the largest donation ever made to CGC and the MidSouth District (perhaps to any Nazarene Camp) at this District Assembly. We continue to work as a district toward even greater ministry at our district camp facilities.

Hispanic Ministries

Pastor Eduardo Lelli continues to lead our ministries focused on reaching Hispanics across the MidSouth District. His report is part of our District Assembly reports. I encourage you to read it. In addition to the church plants started earlier, we are in the process of planting Hispanic congregations in Portland (TN), Limbar (TN) (2 locations), Old Hickory (TN), and Cleveland (MS). Pastor Eduardo reports...

We have 22 MITs (Ministers in Training) in classes, six in GED Spanish classes, two in ENTE (Nazarene School of Specialized Theology), and 11 Hispanic Pastors working on a Bachelor in Hispanic Theology online from SENDAS, (Nazarene Seminary of the Americas) in Costa Rica. As of today, we have 21 Hispanic congregations. They are in a variety of forms and styles glorifying God in the Great Commission, they run in attendance from a family size of 5 to 170 on any given Sunday. Our goal remains the same, we are asking the Lord for 30 congregations fully organized by 2030.

Black Ministries

We said, "Farewell for now" to our beloved Rev. Dr. Charles Johnson. Dr. Johnson (First Lady Shirley) served the Fitkins Memorial Church of the Nazarene as pastor for 60 years. That is an unprecedented tenure. We celebrated his pastoral ministry and a few months later gathered to celebrate his home going. May God bless Pastor Dianne Bonner as she gives pastoral leadership to the wonderful people of Fitkins Memorial.

We also welcomed Monroe Ballard Jr., our new coordinator for this vital ministry in the life of our district. Pastor Monroe and his team led us in the first ever Shalom Summit. It was a wonderful event filled with worship and training. Dr. Althea Taylor was the special speaker and worship was led by a team from across the district. I anxiously await the 2023 event. Plan to be present!

New Church Development

We continue to place great emphasis on new church development and planting. Thank you, Dr. Bill Wiesman and our Great Commission subcommittee of the DAB for your work in this area.

Approximately 20 of us from the MidSouth District joined several hundred other Nazarenes at the recent Exponential 22 conference on church planting in Orlando, FL. This was again one of the greatest conferences I have ever attended. God is at work in the hearts of our pastoral leaders and churches are being developed.

We also continue to partner with Church on Mission in creating training opportunities for creative ways to plant expressions of church. God is helping us advance His kingdom and the MidSouth District is doing all we can to resource our churches toward the Missio Dei.

We currently have 10 brand new churches at some stage of development having been started in the 2021-2022 Church Year. These are: White House, The Neighborhood Church, Music City West, Hope Springs, Houston Levee Cowboy Church, Clarksdale Grace Community, Portland Hispanic, Limbar I, Limbar II, Cleveland.

Our strategy can be found at our district website (<https://www.midsouthnaz.org/church-plant/new-church-development/>)

Missional Accountability

Finances

The changes we made to our approach in recent years is proving to be effective. We have a balanced budget (again) and are operating with the highest of ethical practices.

I am grateful to every church who participates in the Nazarene DNA of the allocation system. In fact, every organized church and CTM (Church Type Mission) on the MidSouth District (115 Total Churches which include 103 Fully Organized, 10 CTM, 2 Parent Affiliated Congregations) contributed financially this year. Generosity truly is the DNA of the MidSouth District. The following information reveals this reality.

Paid in Full or Overpaid (as of the time of this report)...

All Allocations	102 Churches (90%)
DMF (District Mission Fund)	104 Churches (92%)
WEF (World Evangelism Fund)	104 Churches (92%)
TNU (Trevecca Nazarene University)	103 Churches (91%)
P&B (Pensions & Benefits)	103 Churches (91%)

Participating in the ministry of generosity is an *expectation* we place on ourselves as we have been led by the Lord. We truly can do more together. Thank you for your continued generosity and financial support of the ministries of our great denomination.

Participating in the ministry of generosity is an **expectation we place on ourselves** as we have been led by the Lord.

In fact, our generosity and financial support of the ministries of our great denomination resulted in...

<u>Allocation</u>	<u>% Paid</u>	<u>Amount Paid</u>	<u>Amount Over</u>
DMF	100%	\$ 993,340	\$ 2,393
WEF	103%	\$1,177,603	\$30,877
TNU	100%	\$ 469,366	
P&B	101%	\$ 475,549	\$ 6,183

Received for All Purposes **\$22,952,926.59**

*Total Given for Missions Including all Specials \$2,148,285

Considering the continued challenges of 2021-2022, our spirit of generosity (as opposed to scarcity) shines even brighter! Thank you for your willingness to engage in the process and take responsibility for the financial sustainability of our district.

God still reigns! The presence of the Resurrected Savior is among us leading us into the New Day of God's Kingdom! Thanks be to God!

MidSouth Great Commission Recognition

The MidSouth Great Commission Recognition was developed just before COVID impacted us. Consequently, we have heretofore not been in a position to recognize the recipients. Since we are just coming out of the pandemic, some of our criteria for this achievement are not yet truly measurable or realistic. Yet, we believe we have enough metrics to enable us to recognize recipients this year. Thanks to the following churches who qualify for this special recognition...

- Ashland City Faith Community
- Columbia Grace

Franklin Community of Faith
Goodlettsville
Hendersonville
Jason Chapel
Kingston Springs
Memphis Calvary
Nashville First – Main Campus
Nashville Grace
Nashville Trevecca Community
Paris First
Waverly
Woodlawn Community

The link to the criteria can be found on the district website — <https://www.midsouthnaz.org/resources/great-commission-award/>

Note: Attendance counting changed during the church year and is not factored into the requirements for FY22. It will be going forward.

NCMC

The Church of the Nazarene believes in compassionate ministry — always has. In fact, we believe in it so deeply we took our name (Nazarene) from a context of compassion for the poor. We, on the MidSouth District, share that commitment to Compassionate Ministry.

The global denomination recognizes the contributions made by generous people and churches to approved Nazarene Compassionate Ministry Centers. However, it is the responsibility of each district to approve and hold accountable our NCMCs.

We now have four NCMCs. Each one is partnered with a local Nazarene congregation.

Our Approved Nazarene Compassionate Ministry Centers are...

- House2Home
- Houston Levee Community Center
- Rest Stop Ministries
- Welcome Home Ministries

The ministries of compassion offered through our MidSouth NCMCs include:

Addiction Services, Counseling/Support Groups, Food Distribution, Clothing Distribution, Education and Training, Prison Ministry, Reentry Services, Shelter/Housing Services, Youth/Children Tutoring and Development, Community Development, Employment Assistance, Family/Parenting Training and Assistance, Financial Assistance, HIV/AIDS Assistance, Immigration/Refugee Services, Justice/Advocacy, Pregnancy/Maternity Services, Health Care, ESL, Transportation, Prison ministry/Reentry services, Providing household items for individuals/families transitioning from homelessness

I'm so grateful for the ministry of our NCMCs. Lives are being saved, transformed, and restored. The Kingdom of Christ is advancing and Great Commission work is happening. You might find these statistics from our collective NCMCs inspiring.

People Served — approximately 5,750

Total Monies Received — \$2,158,398

The needs of our NCMCs range from finances to volunteers. All desire prayer.

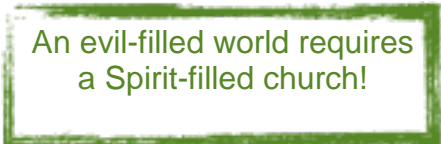

I believe our NCMCs are incredible! Their work extends the Kingdom in ways many local churches cannot. The generosity of the various donors is so rewarding, especially in these days.

You can discover more information for each NCMC on our website: <https://www.midsouthnaz.org/ministries/compassionate-ministry-centers/>.

Missional Challenge

Times are challenging — always have been. Great leaders grow with each challenge. Great churches refuse to shrink from the challenges inherent in advancing God’s kingdom. Instead, great churches embrace the challenges and confront the gates of hell.

We have our challenges today. In fact, as in every generation, an evil-filled world requires a Spirit-filled church. In addition, the message proclaimed by the church from the beginning has not lost its power. It has lost its popularity, but not its power.

With that understanding, we can set goals and devise plans. But, If the Lord does not build a house, then those who build it work in vain (Ps 127:1). Here are some of what we believe to be Spirit-led endeavors.

Missional Inspiration

Family Camp 2022 includes Dr. John Juneman as our preacher and Dr. H. Ray Dunning as our morning presenter.

Mission Zone Tour 2022 will again focus on worship and spiritual renewal. The dates and locations are given in our district calendar.

District Ministry Team Retreat (September 23-25, 2022) will focus on fellowship and spiritual renewal. Rev. Kyle Poole is our speaker. The location is The Ramsey in the Gatlinburg area (the beach has priced us out of the market).

Visits to churches by our District Leadership Team will continue.

Soul Care (November 8-9, 2022) will follow our Theology Conference, giving us time to process the implications of what we learn at the conference. Pastors are also encouraged to use this time for prayerful planning. Reserve your room now.

In General

Paul summarized our culture in his letter to Timothy (2 Timothy 3:1-5).

You must understand this, that in the last days distressing times will come. For people will be lovers of themselves, lovers of money, boosters, arrogant, abusive, disobedient to their parents, ungrateful, unholy, inhuman, implacable, slanderers, profligates, brutes, haters of good, treacherous, reckless, swollen with conceit, lovers of pleasure rather than lovers of God, holding to the outward form of godliness but denying its power. Avoid them!

The last line of the Book of Judges provides a briefer summary of our culture today: “In those days there was no king in Israel; all the people did what was right in their own eyes.” — Judges 21:25 NRSV

I believe the Church of the Nazarene has a message for just such a world. It is the ancient but ever contemporary message of holiness.

Our world likes to talk about how people are treated. I’m so glad because treating people rightly is at the heart of our Christian faith! Holiness is all about love. It is all about Christlikeness being lived ethically in our world. Our culture at best has pseudo love and ethics. This is not enough for the Christ follower. We must truly love one another. This begins with a life completely committed to Christ and His ways.

“In those days there was no king in Israel; all the people did what was right in their own eyes.”
Judges 21:25 NRSV

Let me share with you from an entry I made in my personal Journal dated January 14, 2022...

I’m reading the Bible Project Movements these days. Great teaching and learning tool!

In Genesis, Adam and Eve sinned against God. They knew “good” but not “evil.” They learned what evil was when they disobeyed God by refusing to trust His authority. Luther was correct — Humans *incurvetus in se*.

The next story is of Cain and Able. Sin starts with not accepting the authority of God in our lives and it expresses itself as violence to our neighbor. I think the stories in the rest of scripture fall into these two categories. Thus, the cross becomes even more symbolic and no less real: Vertical and Horizontal beams on which God Himself bore our sin.

The problem in our culture these days is that we want to fix the horizontal problem without first repairing the vertical problem. We want the world to treat people rightly without first settling the issue of authority and Lordship in their lives. If we are our own authority, we will never treat our neighbor properly. It is the authority of the Creator God in our lives that gives quality and definition to the ways in which we treat people and all of creation.

We want the world to treat people rightly without first settling the issue of authority and Lordship in their lives. If we are our own authority, we will never treat our neighbor properly.

In a recent conference, Dr. David Busic shared some research he had found. It centered on the Ten Transformational Stops (from Barna research). Barna surveyed 15,000 people and discovered places where people got stuck in their spiritual journey (from a Christian perspective):

1. Unaware of Sin — Only 1% of people are totally unaware of their sin
2. Indifferent to Sin — 16% know but don’t care
3. Worried about sin — 39% know they’ve messed up and are concerned
4. Forgiven from sin — 9% move to the point of being forgiven of their sin
5. Forgiven and active in church — 24% become active in a church
6. Holy discontent — 6% are looking for greater depth in their relationship with God
7. Broken by God — 3% Where we come to the end of ourselves and are tired are trying to control our own lives
8. Surrender and Submission — 1% take the next step of intentional surrender of their entire self to God
9. Profound love for God — .5% move into this stage
10. Profound love for people — .5% move into a profound love for people

Notice: 89% of people are in the stages that can be categorized as Justification (Stages 1-5) but only 11% in the stages of Entire Sanctification and beyond (Stages 6-10).

The Church of the Nazarene was raised up for all of it, but especially for stages 6-10.

We must preach and teach holiness — all of it! We must give an opportunity for people to intentionally commit their entire selves to the pursuit of the divine image.

Some people will resist the call to holiness. As Count Zinzendorf said, “Many people will follow the Lord half-way, but not the other half. They willingly give up their property.... But it touches them too deeply to give up themselves.”

But, some people will embrace a clear call to holiness. It is what we long for and need. The message will find a place in the hearts of people because the Holy Spirit is at work in the hearts of people.

CS Lewis in the Screwtape Letters puts the following words in the mouth of Screwtape as the demon clarifies the Enemy's [God] intent:

Of course I know that the Enemy [God] also wants to detach men from themselves, but in a different way. Remember always, that He really likes the little vermin, and sets an absurd value on the distinctness of every one of them. When He talks of their losing their selves, He only means abandoning the clamour of self-will; once they have done that, He really gives them back all their personality, and boasts (I am afraid, sincerely) that when they are wholly His they will be more themselves than ever. Hence, while He is delighted to see them sacrificing even their innocent wills to His, He hates to see them drifting away from their own nature for any other reason. And we should always encourage them to do so.

— [The Screwtape Letters](#)

We do not base our proclamation of the message of holiness on whether or not it will be accepted. The nature of our Holy-Love God and the broken, unholy nature of our culture call for us to proclaim and practice the life of holiness. We preach it, teach it, live it — and let God work through it all to bring about the transformation God desires in our lives and in our world.

I am challenging all of us to preach holiness more than ever this year. I know we can make every sermon a "holiness" sermon. But, I want us to specifically preach the call to an intentional pursuit of the image of Christ. I challenge us to find ways to promote the spiritual practices that allow the Holy Spirit to transform us even more effectively into the image of Christ.

Preach Holiness!

Paul said it this way in his letter to the church in Thessalonica...

Finally, brothers and sisters, we ask and urge you in the Lord Jesus that, as you learn from us how you ought to live and to please God (as, in fact, you are doing), you should do so more and more. For you know what instructions we gave you through the Lord Jesus. For this is the will of God, your sanctification: that you abstain from fornication; that each one of you know how to control your own body in holiness and honor, not with lustful passion, like the Gentiles who do not know God; that no one wrong or exploit a brother or sister in this matter, because the Lord is an avenger in all these things, just as we have already told you beforehand and solemnly warned you. For God did not call us to impurity but in holiness. Therefore whoever rejects this rejects not human authority but God, who also gives his Holy Spirit to you. — 1 Thessalonians 4:1-8

God did not call us to impurity but in holiness!

Gratitude

William Arthur Ward said, "Feeling gratitude and not expressing it is like wrapping a present and not giving it."

Albert Schweitzer said, "At times, our own light goes out and is rekindled by a spark from another person. Each of us has cause to think with deep gratitude of those who have lighted the flame within us."

I am a grateful person, grateful first for the presence of God with us and secondly for the ways in which God's presence shows up in the people around me.

The Church of the Nazarene truly proclaims the message of Christlikeness and organizes itself on an assumption of cooperation. In fact, our DNA markers are Christlikeness, Cooperation, and Accountability. We really do believe (and put into practice organizationally) that we are to be like Jesus and we can do more together than we could on our own as we spur one another on to love and good deeds.

Therefore, it is very important to note that the ministry of the MidSouth District cannot be accomplished without the combined efforts of our DMRC Team along with all of our district leaders. Rev. Eduardo Lelli, Rev. Jeff Sexton, and I combined to visit 78 churches in FY22 (not including board meetings or drive-by visits). Together we pledge to resource local churches for effective participation in the Great Commission.

I have the privilege of serving with some of the finest people I've ever known! I'm grateful!

She prays for you, calling the name of every pastor and spouse in prayer each week. I'm so grateful for the gift of God to me in Karan.

Conclusion

I saw an electronic sign on the interstate that flashed the message: Your Car is NOT a Phone Booth. My first thought was: You don't know my car. It is my phone booth as well as my third office.

It is also one of my places of prayer and worship. I listen and pray and think, asking God to speak to and through me as I give leadership to our great district. I am honored and humbled to serve as your district superintendent. I am grateful to be involved in the Great Commission with you. May God continue to lead us deeper into Himself and may the Great Missionary send us out to our world with a life-transforming Word from the Lord.

Respectfully submitted to the MidSouth District in service to Christ,

DWIGHT M. GUNTER II

2. District NMI President

Nazarene Missions International (NMI) is the organization responsible for engaging and mobilizing the local church to engage in missions in the Church of the Nazarene and is the denomination's representative for missions on the district and in the local church. It focuses on five strategic areas where the local church can have maximum impact on missions: Prayer, World Evangelism Fund, Alabaster, Engaging Children/Youth and Links.

MidSouth,

You continue to amaze me! Despite all that is going on in our own families, local churches, communities, and the world, you have remained faithful in your advocacy for and support of missions locally and globally! You imagined, organized, and executed new and innovative ways to uphold the Core Values of NMI: Praying, Giving, Alabaster Support, Engagement of Children and Youth, and Support to our Links missionary partnerships. *Thank you!*

WE PRAYED FOR MISSIONS

- You submitted report after report after report of how you've prayed for our local and global churches, our local and global missionaries, and our ministries to not just survive but to thrive throughout, what has turned out to be, another challenging year. *He hears our prayers!*

WE SUPPORTED MISSIONS

- You gave 104.16% of our World Evangelism Fund (WEF) goal to the tune of \$1,141,866.23. Your faithfulness in giving is the means of supporting the work of the Church of the Nazarene that reaches around the world to transform lives by assisting new churches, supporting missionaries and regional ministries, sharing Christian literature and educational resources, providing holiness education and so much more. *Now that's what I call 'funding the mission'!*
- **Approved Mission Specials:** You also gave a total of \$929,946.76 to Mission Specials including ministries such as Alabaster, LINKS, World Mission Broadcast, Work and Witness, Compassionate Ministries, Deputation, Jesus Film, Missionary Healthcare (Memorial Roll and Distinguished Service Award) and other Special Field Projects. *That is almost \$200,000 more than you gave last year – simply amazing!*
- **Jesus Film Harvest Partners:** You graciously donated a total of \$28,055.10 to this powerful ministry. New churches, new preaching points, new Bible studies are being facilitated because of your sacrificial giving. *Based on JFHP's ministry averages since 1997 - every \$3 invested enables one person to make a decision for Christ.*
- **Nazarene Compassionate Ministries:** MidSouth invested into Compassionate Ministries Sponsorship with a total of \$36,383.21. These funds have been and will be utilized to support victims of human trafficking, increase economic development, offer emergency relief, food security, healthcare, hurricane relief, holistic child development, refugee, and immigrant support, provide clean water, women & girls support, and more! \$54,172.54 was also given to NCM Child Sponsorship.

WE GAVE TO ALABASTER

- MidSouth, you gave \$76,230.27 to Alabaster! *That is 26% increase from last year and will certainly go far in building new churches, schools, clinics, hospitals and more!*

WE LOVED ON OUR MISSIONARIES

- LINKS is a program to connect churches with missionaries. It's an opportunity for every church to get to know a missionary family and/or individual, to pray for them, support them and be a part of their ministry. Birthday and Christmas cards were sent. Gift cards were given. Emails of encouragement and connections arrived in inboxes exactly at the right time.
- As COVID travel restrictions lightened up enough for our missionaries to starting touring again, we had an amazing opportunity to host 4 different missionaries/missionary families on their deputation tour throughout the MidSouth over total of almost 5 months, as well as some occasional meetings with one of our Links missionary families who serve in a creative access country while they were waiting to return to their field of assignment. Thank you, all, for your hospitality, for welcoming them into your churches and listening to all the amazing ways God is working and transforming lives their region of the world. Even though it was quite unintentional to have so many district missionary tours back-to-back, it certainly does seem that it was divinely orchestrated. I sensed that we *really* needed to hear from them, and they *really* needed to feel connected to us in a real and tangible way. MidSouth, you not only were superior hosts to them, but you also showed your love to them in big ways, financially. We gave a total of \$183,493.90 to their deputation accounts! *Way to share the love in all ways!*

WE ENGAGE CHILDREN and YOUTH (...just a couple examples of how)

- One 3-year-old was not so sure about giving up his money for Alabaster but changed his mind and gave cheerfully after learning from his Sunday School teacher that there are other little boys and girls that also need a place worship and learn about Jesus. *He already gets it!*
- Another very smart and generous young man raised money for alabaster by having his parents pay him to play video games! *Love that creativity and big heart!*

WE CONNECTED WITH OUR NEIGHBORS (...just a few examples of how)

- MidSouth local churches found the opportunities to plug in locally by:
 - Collecting clothing, food, necessities for the disadvantage and displaced
 - Partnering with other cross-cultural churches in their community
 - Working with local homeless ministries, elementary schools, and YMCAs

WE CONNECTED ACROSS THE WORLD (...just a few examples of how)

- MidSouth churches continued outreach, connection, and support globally, by:
 - Using their budgeted work and witness funds (during the travel restrictions) to contribute to the building project for the church in Rosa de Jamaica in Guatemala and then also

raised money as their Christmas Missions project to purchase a van that will be used for work and witness teams in the Mesoamerica North Central Field.

- Taking a team from their church for the 5th trip to Puerto Rico and help reconstruction work on a church and re-floor an elderly man's floor damaged by Hurricane Maria. This Puerto Rican town is very aware and impacted greatly from the loving kindness from this team. *People are witnessing firsthand your faithfulness!*
- By promoting missions intentionally through activities and events literally all year long including Valentine's Banquet with an Alabaster emphasis, Easter Egg- Resurrection story to promote giving to the Easter Offering, promoting Missionary Healthcare, World Mission Broadcast, and so much more!

I want to thank all the local church NMI presidents and council members for the work they have done and continue to do to lead our churches in praying for, giving to and educating about missions. Many have worked hard and given of their time and finances because they believe in missions! *Thank you all for a job well done.*

I also want to thank my district council (listed below). You all have worked so hard, given so much and are truly a blessing to work with!

- Vice-President – Rachelle Williams
- Secretary – Kristy Proctor
- Treasurer/Giving Coordinator – Reetu Height
- Memphis Cluster Rep / Memphis Zone Coordinator - Rev. Albertha Braggs
- Middle TN Cluster Rep / Clarksville Mission Zone Coordinator - Terri Dakin
- Nashville Cluster Rep / Nashville North Zone Co - Coordinator - Sharron Shands
- Nashville North Mission Zone Co-Coordinator - Barbara Fox
- Nashville South Mission Zone Coordinator - Michael Rhodes
- Columbia Mission Zone Coordinator - Linda Cole
- Work & Witness – Rev. Kevin Rector
- Compassionate Ministries - Janice Ballard
- Council Member - Sidney Couey

As we looked forward to this year, please continue in prayer, your ideas and support. It takes all of us to "Kingdom Work!"

3. District NYI President

Once again it is a privilege and an honor to stand before this family and alongside such an incredible group of leaders who make up the MidSouth NYI. This year has been a blast getting back into all our major events and spending time together as we are so passionate about doing. One of the major strengths of the MidSouth NYI is our love for each other, our community, and the bonds we have formed together across so many miles through our gatherings and events across the year.

This year our council has taken some new shape and we've gotten back to a Lead/Seat type of system on our council where each council member has a specific area of focus and works to bring other members and leaders from across the district alongside of them to accomplish their specific roles on the district. Some of those leads and roles are still developing and with the elections taking place at this NYI Convention those seats may shift a little as well.

It is our hope to continually raise up young leaders and bring voices to the table for mentorship and development as well as to share energy and passion for leading the youth and families of our district.

This year's council executives and leads please stand when I read your name.
Vice President and Camp LEAD- Stephen Kihnley from Nashville First Church.
Secretary and Convention Lead- Ian Britton from Memphis Grace
Treasurer and Momentum Lead- Micah Mortimer
.. Momentum Arts Director – Valerie Kiper Crossroads Church Ocean Springs MS
Family Camp Lead- Ray Brawner Columbia Grace
TNT Coordinator and Registrar of all things- Diann Shamsabadi Oxford Nazarene
Media Lead and Co-Camp Services coordinator- Grace Savage Trevecca Community Church
NYC 23 Coordinator and Resource Lead- Jamin Wentworth Trevecca Community Church
Co-Camp Worship Coordinator and still finding her Lead spot- Morgan Ginn Memphis Calvary

This crew does an incredible job of dreaming big and working together to create opportunities for our students to connect with and live into community across the MidSouth. They deeply love our students and are passionate about creating not only opportunities to connect to each other, but to God and his purpose and leading in their lives.

Quizzing

Quizzing is a unique and exciting ministry for youth that combines Bible study, mentoring, competition, fellowship, discipleship, and mission. In addition to developing a devotion to God's Word and lifelong habits of Bible study in youth, quizzing creates and builds up a community of disciples and servants that strengthens the church and its ministries. This year the MidSouth NYI had 7 teams from Hendersonville, Concord Community, Gateway, Grays Chapel, Clarksville Grace, Nashville Grace, and Columbia Grace.

Thanks to years of experience, a supportive General Church, and a great deal of practical resources... we are completely capable of partnering with and equipping ANY church willing to give teen Bible quizzing a try.

We would love to talk with you about starting a quizzing ministry! Please see Rick Hill and his team to get all the information you need. Thank you, Rick, and your team for all you do to provide this ministry for the MidSouth.

2021 Saw us back at the CREEK for High School and Middle School Camp! 707 people came out to spend their respective weeks seeking God, soaking up the sun, and just getting soaked due to the torrential rains during High School Camp.

Pastor MO Smith brought incredible energy to the platform as he encouraged our middle schoolers to know that "Chaucy Bro's Speak FROG". And JP VanDalsem spoke straight to the heart of our High Schoolers challenging us to move past the words that have tried to define us and move into an acceptance of how God sees us.

Two incredible weeks of worship and activities together with the family!

560 students and leaders converged on TCC and TNU for **Momentum** this fall, and the ENERGY was BACK! Pastor Micah the new Momentum Lead and his team produced a great event including a challenging and inspiring word from Jason Roy the Lead Singer of Building 429, a popular Christian Band from Clarksville TN, and we heard an INCREDIBLE message on Sunday morning from Pastor Morgan Ginn from Memphis Calvary.

Last fall the MidSouth sent Fourteen Pastors Kids to the Southeast Field Pastors Kids retreat in Pigeon Forge. They gathered with a great group of students from around the Southeast field to worship and spend time in small groups talking through what life looks like as a PK. I am thankful to Matt Taylor and his team for the continued work to make this event possible. Pastors. If you have students in 7th to 12th grade next school year, please be watching for information about this year's retreat so that your students do not miss out on this incredible opportunity to connect with other PKs.

TNT is back at TNU this year and the MidSouth is set to have approximately 337 students and leaders registered for this first year back after two years off. Two years off means that our seniors were freshman the last time they went. Students who participated for the first time as 6th graders years ago are now freshman. We are excited to have the MidSouth Family on campus at TNU with the SE FIELD Family once again to be challenged and to disciple our students through worship, arts, music, and sports. Praying that God will call us deeper into our relationship with Him as we learn to live From God, For God, and in Service to Others

Resourcing our leaders and families remains the primary call of the MidSouth NYI and that is why we chose to help connect the MidSouth NYI with our Partners at AXIS.ORG. Axis.org is a place where parents and leaders can find incredible help in communicating with and understanding the world of their gen Z students. This year 9 churches incorporated AXIS resources in their churches to help them communicate with students and to come alongside of parents in this process. Please talk to Jamin Wentworth or me to learn more about how your church can partner with the MidSouth NYI to have FULL ACCESS to AXIS for your church and your parents again this year.

NYC 2023 Is right around the corner and we are eager for our students to participate in this potentially life altering experience in Tampa as we worship, serve, and spend time together with the USA/CANADA NYI Family. With a price tag near \$2000 again we are praying earnestly that God will move on the hearts of his people to come alongside our students and churches to help make this experience accessible to as many students as possible.

An NYC23 breakout is taking place here at District Assembly to share information, planning and payment schedules, answer questions, and help you begin working through the process of registration.

NYC is that place and that moment in student's lives that many point to where they first felt or solidified their call to Ministry. It is a place where students make steps to deepen their faith as they spend this focused time together seeking the Lord through worship and service. Please join us in praying that God will give our leaders wisdom as we plan. That he will clearly call the students and leaders who should attend and that He will provide the resources necessary to make it possible.

Leaning forward

As we move forward into 2022 and 23 we deeply desire to help resource each local NYI to engage their students and families. It is our prayer that the Lord will give us wisdom to see how and where he is moving in the lives of our students and families that we can come alongside of His Spirit and be used in accomplishing His will. We pray that he will allow us as a district and as churches to be vessels of his Grace and Mercy in the world and that he would receive glory in all that we give ourselves to.

Thank you again for the honor of serving you as your president.

We are Blue, We are Green. We are MidSouth.

Respectfully submitted,
JEREMY W. BYLER

4. District NDI Chair

As I stepped into the role of SDMI Chair for the MidSouth District, I felt a little overwhelmed. We spent that year reflecting on what we had done and what we would like to see accomplished in the future for Prayer, Discipleship, and Training.

So, we started by merging “Improve Your Serve” into District Assembly for our leadership training, and that has been our focus as we restructured our Adult Ministries and continued with our Children’s Ministries Team.

Then we, like everyone else, faced Covid and that had to be all our focus; but it also gave us time for reflection and planning.

At District Assembly last year, we did something new for SDMI. We wanted to have representation just like the District Advisory Board across our District. As we met for nominations for last year’s election, we nominated by Mission Clusters so that we had a ballot that would give us an elected District Sunday School and Discipleship Ministries Board that reflected our District as a whole.

Your MidSouth District elected SDMI Board:

Nick Peeples -South Mission Cluster
Shelli Peeples – South Mission Cluster
Leonard Jackson- West Mission Cluster
Zujey Castellanos – West Mission Cluster
Michelle Lunsford – Middle TN Mission Cluster
Jenna Boren-Middle TN Mission Cluster
Joy Black- Nashville Mission Cluster
Sabrina Jones- Nashville Mission Cluster

This year has been a time of organization as we organized the board not only geographically but with focus in mind of what we would strive to accomplish in SDMI. If we are to be about Prayer, Discipleship, Evangelism, and the means and resources to accomplish these ministries, then we need a team focused on these areas. So, your SDMI Board was divided up into sub-committees Financial/Prayer/Discipleship/Evangelism.

These sub-committees focused on these areas of ministries strive to help our MidSouth District be focused on these as well.

Our Financial team continues to help us stay within our budget while looking at new areas our funds could be used to help continue the ministries of Discipleship.

Our Prayer Team is part of the Prayer room and team praying for our District events.

Our Discipleship Team helped plan the Huddles, the Workshops, and the AMI &CMI Discipleship Events on our District.

Our Evangelism Team is exploring resources that we can have available to each church for Outreach and for Making Disciples and for the Discipleship Journey.

This year we have added someone to our Team - Pastor Janice Rudolf is our newly appointed CLT leader for SDMI.

For our Adult Ministries Team; Derek Mitchell, former leader, did an outstanding job of organizing his team of Thrive Ministries. He had rebranded them all to help them focus on the ministry they were entrusted with...

Branch/Singles Ministry. No leader currently
Oak/Men’s Ministry. Derek Norton
Magnolia/Women’s Ministry. Laura McKellar
3Trees/Motorcycle Ministry. Ron Bailey
SAGE/Senior Adult Ministry. Roger & Patsy Fillebaum

Derek stepped down from this role and stepping graciously into this role is Rev. Dr. Sabrina Jones.

She has already jumped in with both feet to help with Assembly, Adult ministry events happening on the calendar, and naming our Retired Ministers Team – Willow and making plans with Dr. Randy Berkner our new Retired Ministers Leader for future events. Check out their table in the foyer for information on upcoming activities!

Children’s Ministries was led by Tonya Marks who stepped down right before Assembly last year. Shaun Stevenson, Children’s Pastor at Gallatin First Church, stepped/jumped/leaped right into that role. He continues in a time of transitioning as council membership is changing. He is leading an effective team to plan and execute many District events and resourcing local children’s ministries leaders with training.

District Children’s Council
Michelle Bergman - Camp Director
Jessica Byler - Spark On-Site Coordinator
Jeff Carr - Technology Coordinator
Meredith Denton - Memphis Coordinator
Alyssa & Bobby Forest - District Children’s Missions Coordinators
Jillian Frantz - Registration Coordinator
Michelle Lunsford - District Children’s Secretary
Esther Simmons - District Children’s Quiz Director
Kayla Smith - Tweens Coordinator
Shaun Stevenson - District Children’s Director

This past November I and your AMI & CMI leaders traveled to North Carolina to our General Church’s Leadership Conference for SDMI for training.

The main thing that was shared throughout the Conference was that Jesus is the Way, the Truth, and the Life!

Jesus has called us to Go and as we Go to make disciples.

So, we are on a Journey- ALL OF US ARE ON A JOURNEY, One of Prevenient Grace (THE WAY) – Saving Grace (THE TRUTH) – Sanctifying Grace (THE LIFE).

THIS IS NOT A NEW PROGRAM OR THEME.

It is what we believe – it is how we live as Christians/Christ Followers on the Journey.

Very recently the Global SDMI leadership team proposed a ministry name change to the General Board - rename SDMI to NDI.

As Dr. Scott Rainey can explain better than I, “Since SDMI is all about discipleship, it just made sense.” It has been approved; we are now Nazarene Discipleship International or NDI.

It flows with NMI, NYI and now NDI!

It is all about discipleship!

We are disciples on a Journey with Christ – John 14:6“Jesus answered, I am the way, and the truth, and the life. No one comes to the Father except through me.”

He has a purpose and plan for each of our lives – Jeremiah 29:11“For I know the plans I have for you declares the Lord, plans to prosper you and not to harm you, plans to give you hope and a future.”

He has called us on that Journey – to fulfill our purpose – we must trust him on that Journey-Proverbs 3:5-6“Trust in the Lord with all your heart and lean not on your own understanding; in all your ways acknowledge him and he will make your paths straight.”

My Prayer is for all of us is to have eyes to see the Journey we are on and to step into His Light and fulfill His Purpose for each of us to Go! And as we Go to Make Disciples!

Living His Purpose and Plan,

Respectfully submitted,
CRYSTAL C. PETTY

C. ASSEMBLY COMMITTEES

1. Finance Committee

We, your District Assembly Finance Committee, acknowledge that the managing, disbursing, and accounting of church finances require the most prayerful consideration, careful planning, and diligent execution of our responsibilities. It should involve us in the full range of the church's interests. We, therefore, submit recommendations in these areas of concern.

I. Funding the Mission

We recommend:

1. That the MidSouth District Church of the Nazarene be in full agreement with the *Funding the Mission* policy, as set forth by the General Board in February 2009. The *Funding the Mission* is a Global Plan based on the "tithes and offerings concept." Each church should monthly report their tithes and offerings online using the formula and calculator as provided by the Global Ministry Center. The basis of this concept is figured on the current weekly/monthly tithes and offerings that receive charitable contribution receipts, less giving for World Evangelism and Approved Mission Specials. The tithe concept allows support of 5.5% for World Evangelism; 2.25% for Pensions & Benefits; and 2.25% for Education.

2. That 4.75% remain as the District Mission Fund allocation (District Administration, Ministry Grants, NDI, NYI and NMI) for FY2022-2023.

3. The World Evangelism, Pensions and Benefits, and Ten Percent Mission Special dollars can be paid through the online giving tools at www.fundingthemission.org or, if online giving is not feasible, mailed to the General Treasurer, P. O. Box 843116, Kansas City, MO 64184. The District Mission and Education Funds can be paid through the online giving tools at www.fundingthemission.org. If online giving is not feasible, District Mission should be mailed to the District Ministry Resource Center, 70 Hart Street, Ste. 101, Nashville, TN 37210, and Education Funds mailed to Trevecca Nazarene University, 333 Murfreesboro Road, Nashville, TN 37210. It is encouraged that the appropriate funds calculated be remitted in a regular and timely manner to the proper place.

4. We encourage every church to utilize the Church of the Nazarene Foundation to facilitate planned and deferred gifts from their members to any Nazarene ministry, including gifts to the local church. Visit www.NazareneFoundation.org or call 866-273-2549.

II. The MidSouth District Ministry Resource Center

A. The District Mission Fund

We recommend:

1. That the district treasurer be authorized to allocate the District Mission Funds according to a percentage formula in harmony with the recommendation set by the District Assembly Finance Committee.

2. That the District Camp Board be authorized to administer all funds under their jurisdiction, as approved by the District Advisory Board; and that they prepare and submit a financial report to the District Advisory Board at least quarterly and an annual report to the District Assembly.

3. That the Ministry Grant Budget be administered by the District Advisory Board, with funds received by the district treasurer and disbursed with the approval of the District Advisory Board.

4. That the District Advisory Board be authorized to transfer funds, as deemed necessary, between the Reserve Account, District Administration, and Ministry Grant accounts of the District Mission Fund.

B. Related information

We recommend:

1. That the district departmental chair leader (District Superintendent, Camp Board chairman, NYI president, NDI chairman, and the NMI president) be authorized to requisition approved funds.

2. That all ministries funded by the District Mission Fund (District Administration, Ministry Grant, NDI, NMI, and NYI) present to the District Assembly Finance Committee a proposed annual operational budget for their consideration and approval and that auxiliary account reserves (NDI, NMI, and NYI) be held at 50% of requested budget/anticipated expenses. When reserve balances exceed the recommended percentage, the resulting balance will be used to fund anticipated operational auxiliary expenses.

3. That District Administration mileage reimbursement is provided at the current IRS approved rate and only to those attending the District Advisory Committee Retreat or the Board of Ministry and travel 150 miles or more roundtrip.

III. Educational Institutions

We recommend:

1. That the MidSouth District support special offerings for Nazarene Theological Seminary and Nazarene Bible College.

IV. Ministerial Support

A. The District Superintendent

We recommend:

1. That the District Superintendent be given an annual vacation of 5 weeks.

2. That the district pay the District Superintendent's health insurance, general church life/accident insurance premiums, income protection insurance, and reimbursement for the total amount of Social Security and Medicare (SECA).

B. The Pastor

We recommend:

1. That each church board review the pastor's salary, benefits, and church-related expenses no later than two months before the close of the fiscal year and that these matters receive priority in the planning of the church's budget and that these are considered in relation to the inflationary index of the cost of living. Merit increases should be considered in the assessment of pastoral support.
2. That each church provide adequate parsonage facilities, including utilities, or that a housing allowance be given.
3. That each church assume the full amount of the pastor's health insurance premium and reimburse fully Social Security and Medicare (SECA) payments, which shall include calculation on the fair market rental value of the parsonage.
4. That each church board consider providing disability income protection insurance for its pastor.
5. That each church board consider setting up a tax-sheltered annuity plan for the pastor and full-time staff.
6. That each local church pay the expenses of their pastor and spouse to all district and general church meetings to include workshops, retreats, and Family Camp. Consideration should be given to establishing a fund to meet these needs.
7. That the pastor's vacation time (based on total years of full-time service in the COTN) be: 1 - 5 years -- 14 days; 5 - 10 years -- 21 days; 10 - 20 years -- 31 days; over 20 years -- 35 days. This vacation time does not include time he/she devotes to district and general church activities, which are a part of his/her professional duties, and that he/she be encouraged to set aside at least one day per week for rest, renewal, and relaxation. The local church should also determine if earned/unused vacation time carries over from year to year and if so, at what rate.
8. That the pastor's professional expense be reimbursed by the church as a recognized cost of doing ministry.
9. That the local church strive to consider implementing Manual paragraph 129.10. To encourage the lifelong learning of the pastor in spiritual, emotional, and educational dimensions, the church board, in consultation with the District Superintendent, should consider supporting a sabbatical/study leave for the pastor during the seventh consecutive year of service in one congregation.

Rationale:

a. Physical & Emotional: Statistics show that record numbers of pastors are leaving the ministry due to burnout related to job and family stress. Every full-time pastor and ministry staff person is urged to take at least one day (full twenty-four hours) each week for relaxation and refreshment of the mind, soul, and body. Since church calendar and emergencies often make it impossible to observe a full day off every week, we recommend that compensating days off be given and that the local church support by insisting that time off be taken.

b. Spiritual: Realizing that pastors face stress, pressures, and exhaustion that result from carrying the burden on a 24-hour-a-day, seven-days-a-week basis, the local church should periodically grant its pastors extended time away for rest, renewal, prayer, and spiritual growth, in addition to vacation time. (The pastor should have completed a reasonable period of service in the current assignment and for those with less tenure, consideration may be given to granting extra days away for rest, renewal, and study.)

- (1) Five days for prayer, study, and renewal may be given every seventh month.
- (2) A sabbatical of four to seven weeks should be granted in the seventh year of ministry in the current assignment. Full salary and benefits should continue during this time with special sabbatical funding to be considered separately, and the church board, in consultation with the pastor, should plan for pulpit supply and pastoral care during the sabbatical so the needs of the congregation are met.
- (3) We urge that members of the local church encourage and uphold their pastors and families in prayer at all times and during special times away.
- (4) We encourage local churches to provide support for pastors and families to observe regular opportunities for time away.

C. Other Ministers

We recommend:

1. That since God has declared that "the laborer is worthy of his hire," careful consideration be given to providing adequate remuneration to our evangelists. Because of factors such as idle months during the year, heavy travel expenses, the maintaining of a home, these men and women should be paid for Social Security and Medicare (SECA) due on offerings from the local church. The local church where they hold membership should remember them with a gift at Christmas time.
2. Recognizing the contribution made by our retired ministers, churches should express appreciation for them by presenting them gifts on special occasions.
3. That, as more of our churches are now in multi-staff situations, our church boards give attention to adequate remuneration for these ministers with consideration for Social Security and Medicare (SECA) reimbursement, professional expense allowances, housing allowances, sabbatical and vacation leave, and other benefits.

V. Fiscal Responsibility

We recommend:

1. That each pastor present the scriptural doctrine of storehouse tithing and church support regularly.
2. That each local church adheres carefully to the *Manual* requirements and direct:
 - a. That a committee of two or more persons count all monies received by the local church, and that a record of these receipts be given to the pastor and treasurer each week.
 - b. That the books of the treasurers be audited annually, and the auditor's report be read to the annual meeting.
 - c. That the books of all treasurers of the local church be readily available to the pastor at all times.
3. That the church board, or a finance committee appointed, prepare a budget prior to the beginning of the church year, anticipating the financial needs of the church.
