Compassionate Ministries Project Offerings collected will be announced at a later time.

Silent Auction- Please bring donated items for the silent auction. The monies collected will go toward Scholarships for ladies to come to next year's retreat.

Regarding Covid precautions, please follow what makes you feel comfortable and be aware of others comfort levels. Camp Garner Creek has set a plan in place for all guests, including disinfecting guidelines, touchless thermometer, and quarantine area if anyone becomes ill while they prepare for transportation off campus. Please do not come if you are ill. We will refund registration fees if you are ill, and if we have to cancel due to rising COVID numbers. The number of ladies in your room will be determined by you and your comfort level. Common areas like restrooms will be disinfected twice daily, supplies will be available in those areas for those who would like more control over their environment.

Scholarships will be decided by the Women's Council and will be decided on a per person basis. We ask that scholarships be awarded to first time attendees only with financial need.

If you have any questions please do not hesitate to contact Council Members or go to our Facebook page at **MidSouth District Women's Ministries**
