WYCLIFFE BIBLE TRANSLATORS

COLIN AND DEE MURPHY

## WYCLIFFE

...is a world wide organization whose goal is to give every language access to their own translation of the bible.

### **Vision 2025**

In 1999, the leaders of the organization realized that at the speed they were going, it would be at least 2150 before a Bible translation could be started for every language that needed one.

The leaders felt called to commit to a new goal of meeting this need by the year 2025. Today, at least 2,000 languages are still waiting for a Bible translation to begin.

## Colin and Dee Murphy – The Seed Company

- Colin and Dee are assigned to work for The Seed Company (TSC), an affiliate of Wycliffe. They were asked to come alongside the younger staff to offer valuable field experience and perspective.
- How to Pray for the Murphys:
  - Continued healing as Colin recovers from his Hip Replacement.
  - Continued healing as Dee recovers from her Rotator Cuff Surgery.
  - That Colin and Dee will be able to be effective mentors to the younger missionaries that they have the opportunity to come alongside.
  - Strength each day as they do the work of Christ in Bible Translation.
