

Matthew 28:19

“Go therefore and make disciples of all the nations...”

SENEGAL, AFRICA

DARL AND JILL POWELL

GEOGRAPHY

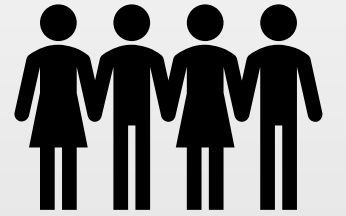

Senegal is the westernmost state of mainland Africa. It has a very dry climate and get's very little rain.

The total area is just over 75,000 square miles, slightly smaller than Minnesota (86,000).

PEOPLE

Senegal has a total population of almost 13 million people. The official languages are French and Wolof. However, there are 46 languages in total spoken in Senegal.

The Largest Religion is Muslim, which makes up over 90% of the population

Around 6% of the population is professing Christian, less than 1% being evangelical.

CHALLENGES FOR PRAYER

- One of the biggest challenges that Senegal faces is **bible translation**.
- Although progress has been made and seven NT translations have been finished, there are seventeen still underway. Additionally, literacy training is a vital need.
- Pray for the Scripture translation teams, and for widespread distribution of and response to the Scriptures.

MISSIONARIES

Darl and Jill Powell – Dakar, Senegal

- Darl is gifted with skills and experience in construction. Jill is a gifted architect. They allow God to use these skills to help them meet the needs of the people in Senegal. As well as build relationships for further ministry.
- Pray for continued relationship building with the African crew members that they work with.
- Pray for the new partnership with EMI (Engineering Ministries International).
