A MESSAGE FROM JOSUE OUR NEXT GEN. PASTOR

I'm excited to share that **Wednesday nights are officially back to normal**, and we would love your help making this season one of growth, connection, and spiritual depth for our students. Youth group now meets every Wednesday from **6:30–7:30 pm**, and each night is intentionally designed to give students space for **fellowship, games, and a meaningful message** rooted in God's Word. Our goal is not just to fill a room, but to create an environment where students feel welcomed, known, and encouraged to grow in their walk with Christ.

This is where we truly need your partnership. Please help us by **inviting students**, encouraging families, and spreading the word. A simple invitation can make an eternal impact. Many students are looking for a place where they belong, and Wednesday nights are a great entry point for them to build friendships and encounter Christ in a real way.

We are also always looking for adults who feel called to invest in the next generation. If you would be interested in **joining the youth ministry as a leader**, please reach out to us. Having committed leaders makes a lasting difference in the lives of our students, and we would love to connect with you and share more about what that looks like.

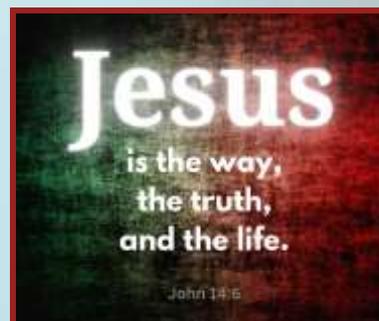

We are also looking ahead to an exciting upcoming event called "**The Way**", which many of you may recognize as DNow or United Weekend. This weekend event is organized by **Lakewood Church** and is designed to challenge and encourage students through worship, teaching, and community. (Dates are from Feb 27-March 1).

Our goal is to take **10 students or more!** and to make that happen, we will need **host homes and chaperones** willing to serve during the weekend. If you have the ability to open your home, help supervise, cook a meal, or support in any way, your involvement would be a huge blessing. Events like this often become defining moments in a student's faith journey.

Most importantly, we ask that you would be **praying for our youth ministry**. Pray that we would grow in numbers, yes, but even more that we would faithfully nurture the souls God has entrusted to us. Our desire is to help students grow closer to Christ, build a solid foundation of faith, and learn what it means to follow Him daily.

Thank you for your continued support, prayers, and encouragement. We are expectant for what God will do this year and grateful to walk alongside our church family as we pour into the next generation. Romans 11:36.

In Christ, *Josue*
