Love God
Love People

WORDS OF WISDOM FROM LANCE OUR DEACON CHAIRMAN

The scariest way to lose your relationship with God isn't by suddenly hating Him. It's by slowly loving everything else more so gradually that you don't even notice your heart drifting. Rarely does anyone wake up and decide to walk away from God. More often it happens with one small compromise, one misplaced affection, one neglected prayer, one skipped time in His Word. Until one day, the things of this world have quietly taken the place that only Christ was meant to occupy. Guard your heart! The greatest danger isn't always open rebellion, it's unnoticed drift.

Talk to me, Brian, James, or Rick if you feel like you are drifting. We are here to walk with you!

*Above all else, guard your heart,
for everything you do flows from it. Proverbs 4:23*

In Christ, *Lance*
