Fall Ministries Update

As we enter the new school year, we continue to look forward to the restart of many beloved ministries. Below you will find information on the first steps we are taking to re-establish our Sunday Morning Ministries. If you have any questions, please contact a Deacon or Church staff member.

Nursery

Nursery will be resuming during the Sunday service on **October 4th** for kids ages 3 and under. New protocols are being put in place to maintain a standard of safety and responsibility for our volunteers and children. Nursery is a vital family ministry, and we need your help! If you are willing to volunteer in the nursery, please contact Jackson Standafer. An informational meeting for the new Nursery procedures will be held on Sunday September 27th in the gym immediately following the Sunday Service.

Livestream in the Gym

Starting this Sunday, **September 6th**, a live stream of the service will be set up in the church gym during the service. The gym will be available as an option for any parents with young ones who need space to roam around and play. We hope this will be a blessing to the families in our church. Please contact Jackson Standafer with any questions.

Sunday School

Children's Sunday School will be starting back up on **October 4th**. We will be offering four age group classes: ages 2-5, K-3rd grade, 4th-6th grade, and 7th-12th grade. Sunday School will take place from 9-10 each Sunday Morning. Further planning and discussion is taking place as we look to restart additional ministries including Adult Sunday School, Small Groups, and more. Please contact Brandon Puck (Christian Education Committee), a Deacon, or a Church staff member if you have ideas, questions, or are interested in serving in these ministries.
