

**What to Expect in the End:
Watching the Stars**

Matthew 24:

When does Jesus say the celestial lights will fail? vs. 29

Joel 2:1-13

Where is Joel's prophecy pointed to? vs. 1

What else is happening around "the darkening"? vs. 9, 10

What does God encourage the hearers to do? vs. 12-17

How will God respond when Israel does that? vs. 18-27

How long will His peace last with them? vs. 19

What will He do to the attacking armies? vs. 20

What will happen Spiritually after this? vs. 28, 29

What will happen celestially after this? vs. 30, 31

Joel 3:9-15

What war is God inviting His enemies to? vs. 9 – 14

What will happen then? vs. 15

Act 2:19, 20 – are quoting Joel's prophecy

Notice specifically what this will directly proceed: vs. 20

Isaiah 13:9-13

When does Isaiah see the celestial lights failing? vs. 9, 10

Will the celestial lights cease to exist? vs. 10

Isaiah 24:218-23

How does Isaiah describe the sun and moon? vs. 23

Revelation 21:23-22:5

What will light eternity?

Ezekiel 32:

What event coordinates with the celestial bodies going dark? vs. 7

Revelation 6:12-17

Where are we in time? vs. 12

What accompanies this event? vs. 12, 13

Does this sound like part of the normal lunar cycle?

Revelation 8:12

Does this happen before or after Rev. chapter 6?

What is expected of the celestial lights here?

So based upon the Biblical expectations, are current lunar phases of concern when we are striving to understand the future and Biblical prophecy?
