Mink Lake is located on the outskirts of Grand Marais, MN. The remote and rustic camp is run by the Coldwater Foundation, a Christian organization with the mission to connect people to the gospel through God's creation. The weekend will be filled with activities like canoeing, hiking, fishing, swimming, games, bonfires, and more! We will take time to connect with one another in group devotions and worship, along with joining together to hike a waterfall and brave the cold water of Lake Superior!

At Camp, you will have the opportunity slow down and get in touch with nature. As Camp is propane and solar powered there is limited electricity usage along with little to no phone service.

The 8 cabins (sleeping 6+ people) are filling fast! There are outdoor bathrooms, sun showers, and a group lodge and kitchen to prepare and share meals and fellowship with one another. All together creating a wonderful rustic wilderness experience.

See you there!
