Dear Church Family,

In order to do our part in maintaining and protecting the health and safety of our church family, the Southeastern California Conference has recommended that we (the Palm Springs SDA Church) suspend church services through the end of March in keeping with widespread efforts to reduce potential exposure and spread of COVID-19. Your church leadership is currently considering operational decisions that may need to be made in further response to this decision.

Please be assured that there are no known cases within our church community.

Your health and safety is of utmost importance to your church leadership. We will continue to closely monitor information about COVID-19 through communication with our local Conference and county health officials, as well as by gathering information from news media reports and federal advisories.

During this brief suspension of church services, the following events have been canceled:

- ALL Bible Study Classes meeting on Sabbath afternoons
- Friday evening 7 pm Vespers
- March 14 Fellowship Lunch
- March 14-21 "Revelation Prophecy for Today" series with Elder Robert Edwards
- Weekly prayer meeting
- March 22 Bible Journaling class w/ Sarah Perez
- March 24 Women's Group
- March 24 Church Board meeting
- March 28 Communion Service
- March 29 Women's Ministry Recipe Exchange

Please stay connected with your Palm Springs church via our website:

(www.palmspringsadventistchurch.com) for further updates. Your church leadership will be available by telephone and by e-mail throughout this time. Their telephone numbers/e-mails are listed below for your convenience.

We thank God for each of you and feel blessed to be part of a discerning and thoughtful community.
