

## The Way of Truth Baptist Missions, Ghana.

Military ministry update.  
On the Sunday, 17th March, 2019, one of our missionaries, Pastor Owiredu Andrews of the Good News Baptist Church, Achiase was

invited to the religious parade that was organized by the Military Jungle Warfare Training School at Achiase to preach the sermon for the day's service.

This has been his fourth visit to the base this year.

About 150 military men and their family attended the service. His message was titled-Emmanuel, God with us.

Many souls were saved and dedications were made.

50 Bibles were donated to them from the mission after the service.

After the service, he was asked to dedicate a new bus which was donated by the government of Ghana to the glory of God. They were given a ride in the bus.

Thanks God he has been accepted as part of the military family at the base.

We want to use this opportunity as a springboard to reach out to the other 13 military bases we have in Ghana.

We pray that God will make this happen.
