

# the *Stewarts* Church Planting in **Taiwan**

September 2019

Volume 10 Issue 8

## Forward Progress

Thank you so much for your prayers for us the past month. God has blessed! The translation projects are underway, the lecture series is taking shape, and we met with our coworkers and church deacons about possible outreach methods, which produced enough outreach options to last for a few years.

## VBS Party

The VBS follow-up party planned for August 24<sup>th</sup> was cancelled due to a government declared typhoon day. Even the trash trucks, which make a circuit around the city every evening, were canceled, so we had to cancel our activity.

We are planning a BBQ on September 13th during the Mid-Autumn Festival and will invite the families of those who attended VBS. Please pray that several unsaved families will attend and that we will be able to plant and water gospel seeds.

## Yanjie

Yanjie likes to ride bikes. He has four! I recognized him from VBS one day when I was riding my bike in our neighborhood and chatted with him a little. Since then, I've seen him several more times. Yesterday he rode through the park while our family was playing kickball. He played with us. He said he was starting 7<sup>th</sup> grade this year, so I invited him to our teens meeting. Then he and I just chatted for a while. Please pray he will attend teens and that our relationship will grow and give opportunity to share the gospel with him.

Your Abassadors for Christ to Taiwan,

*Josh, Rachel, Nate, and Anna*
