## Church Planting through Furlough Replacement

Dear Praying Friends,

God is blessing here in Pecs, Hungary, and we are rejoicing! This has probably been one of the busier of our 14 replacements to date.

On April 6, we had a youth activity, where we did some hiking, geocaching and a picnic/Bible study in the park. Then there was the ladies'

meeting, the men's meeting, evangelism, English classes and, of course, the Easter concerts.

The concerts are a cooperative effort between the churches in Pecs, Nagykanizsa, Obuda and

Dunakeszi. In Obuda, Zoli Kiss was able to speak with Steven after the service, and in Pecs, I was able to have a lengthy conversation with Maurice. I believe both men are close to salvation, and we request your prayers on their behalf.

Because of Myra's increasing allergies, her doctor has insisted that she have Epipens with her at all times. We were able to secure them here for \$50 each. This is a savings over the American price of \$300! Praise the Lord!

Gedeon Olah has persuaded us to squeeze another replacement into what we considered to be a full schedule. So, we have added Nagykanizsa, Hungary, for September-December 2020.

Once again, thank you for your part in this ministry as you keep us before the Throne.

### Praises!

In the Beloved One,
