A Praise Report

Dorothy Rynard shared a joyful update about her great-grandson, David. On the day he was born, David underwent major bowel surgery, followed by open-heart surgery the next week.

Since then, he has had two more open-heart surgeries. He will be 5 in November and received a wonderful report from his cardiologist this week.

The doctor said he does not use the word 'miracle' very often, but believes David is a miracle. We know this is a testimony to God's grace and to the many prayers of our church family.

David also recently started full-day school and loves it!

♥ Thank you, church family, for your faithful prayers. ♥
