

Message Notes

GracePoint,
Thank you
for all of the
love, support,
prayers, kind

notes and words of encouragement given to us. The magnitude of support that has been poured out has been overwhelming! As a family involved heavily in ministry in our community, it has been cool to see God work in the opposite way. We have seen God answer prayers before they have even been asked for - provided us meals, clothes, a roof over our head, and the basic furnishings to start over. We have felt comfort when we have felt sad and we have been given random words of encouragement from complete strangers. We know in the midst of our storm Jesus is going to be ahead of us paving the way.

We appreciate all that our family in Christ has done for us. We ask for continued prayers as we are still battling with insurance, and for God to continue to pave the way. We will continue in our ministries of leading people to Christ even in the midst of our struggles.

In His Name,
The Heldman Family
