What does Paul beseech them to do (2 things)?

What is the “doctrine contrary to the one you have learned”?

According to this passage, those who practice the things mentioned in verse 17 are not serving whom?

What do they serve?

How do they deceive the hearts of the simple?

What has come abroad to all men?

Because of this, what does Paul say he is?

What is his warning?

DAY
FOUR

Read Romans 16:20-24

What will the God of peace do?

According to what?

What is Paul's gospel and why is it different?

What else does verse 25 tell us that Paul wants them to be established by?

What is the mystery?

And what was done with it?

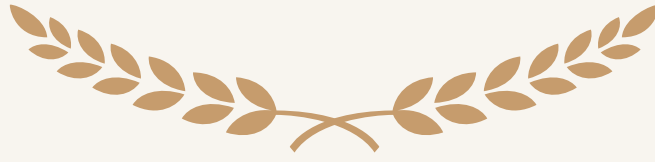

You could read verse 26 as saying, "prophetic scriptures." So this is talking about Paul's writings. What were his writings made known to and for?

What were they according to?

DAY FIVE
