“And the LORD God said, It is not good that the man should be alone; I will make him an help meet for him”

-Genesis 2:18

WELCOME

If you are a guest today, please fill out a guest card (found in the back of the chair in front of you). At the end of the service, please take the card to our Welcome Center in the foyer as you leave. A staff member will be there to meet you and has a gift for you. We are so glad you came!

Health Update for Donna Smith

One of our dearly loved church family members, Donna Smith, was hospitalized last week after experiencing severe difficulty breathing and significant discomfort. Doctors determined that her heart was functioning at approximately 10 percent, and a balloon pump was placed to help support her heart. Thankfully, the balloon was successfully removed on Tuesday, and her medications appeared to be working well.

On Thursday evening, Donna's blood pressure became unstable, dropping from extremely high to very low. She will remain in the hospital while her doctors work to stabilize her blood pressure and determine the proper balance of medications. She will also be fitted with a LifeVest to wear after leaving the hospital.

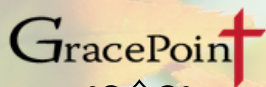

Please continue to lift Donna, Don, their family, and her medical team in prayer. Donna is deeply loved by her GracePoint family, and we are trusting the Lord to strengthen her and guide each decision concerning her care.

Prayer List

To help keep our prayer list current and meaningful, we remove requests if we haven't received an update for two or more weeks. This doesn't mean the concern is no longer important—it simply helps us stay focused on active needs. Please know you're always welcome to resubmit a request or share an update at any time. We are thankful to walk alongside you in prayer.

To submit a new request, please contact Autumn Stivers no later than THURSDAY to be included in Sunday's Bulletin.
