This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There is no handwriting or other markings on the paper.

VETERANS WALL

It is time to see
if anyone has a
new name for
our Veterans
Wall.

If you would like a nameplate on the wall, please pick up a paper from the Welcome Center, fill it out and turn it back in at the Center or the Church Office. We like to get these ready for Veterans Day.

If you are not currently in a group, just call the church office and we can get you connected.

Hello and God bless you from all of us at "Saul to Paul". We have been very busy this summer with projects around here and also helping others. The men are doing well with their studies and seem to be falling in love with their Lord and Savior

Jesus Christ. Please continue to pray for these men and for their continuance of spiritual growth. Even though the world seems to be getting crazier and more chaotic all the time, we do have a lot of peace here. We thank you so much for allowing God to use you to make such a place like this possible for the changing of men's lives. It is a beautiful thing to see Jesus transform many of these guys. The men are learning to trust the Lord and not to worry. They are being prepared to go out into the world and tell people the good news - the gospel. Thank you again for being a part of such a wonderful thing. It is because of you, God's people, that this ministry is possible.

We, of course, are not allowed to do jail ministry at this time due to the corona virus, and authorities at the jail say they do not foresee any changes to that rule coming any time soon and possibly never. We will trust the Lord that He will bring the men to this ministry that He wants to be here. God seems to always do things differently than what I originally expected and His way is always better and always right.

It seems that the devil is having his way with the world right now and all appears to be grim. But Praise the Lord! We know the end. Even though most everything seems to be heading in the wrong direction, Jesus is still in control and the men here are learning these truths and are being filled with joy and contentment during these crazy times. We have church here every day, just like always, and we now have church here on Sundays also.

I have included a picture of all the men that are with us at this time so that you might put it on your fridge, or somewhere, as a reminder to pray for all of us.

In His Service, Don Sink
