Deeper Still
Following Jesus
in tough times

Children's Camp—May 13-14, 2022

Deeper Still Following Jesus in Tough Times

We have all experienced tough times but these last couple of years have brought more challenges than any of us expected! We will not doubt have more tough days ahead.

In this uncertain time it is important to turn to the One who is never surprised and will never be shaken. Where He leads we can follow with certainty. God is able to keep us—when the water gets deep or the heat burns hot, we are not alone!

The scripture is full of promises that teach us this. We will explore those promises at camp this year and see how God has walked with those in the Bible and how He will walk with us.

We look forward to helping Calvary Kids see God in a way that proves to them that it is more than tradition, more than fun, or crafts but that Jesus is our very life. When we face challenges we can go deeper still—with Jesus all the way!

Now this is what the LORD says—the one who created you, Jacob, and the one who formed you, Israel—
“Do not fear, for I have redeemed you; I have called you by your name; you are mine.

When you pass through the waters, I will be with you,
and the rivers will not overwhelm you.
When you walk through the fire,
you will not be scorched,
and the flame will not burn you.
Isaiah 43:1-2

Dear Parents,

It's so exciting that we get to go to camp again! This is a time that not only the children get to have fun, but the counselors also love it since they can share more of the gospel with your children in ways that are full of the Love of God. Children's camp is just another ministry of the Children's Sunday School at Calvary. Each teacher prepares for camp with much prayer for your child, and all the events. Past years have been very blessed and this year we are so thankful to get back to the Holy Ground we have found before at Cumberland Springs Bible Camp. What a sweet homecoming it will be!

This year we will focus on how children can trust and follow Jesus when life is tough. We can trust Him to save us when the waters are deep!

Included with this brochure are some reminders and a permission form. The form and the cost of \$25 may be mailed to the church or given to your child's Sunday School teacher. If your child is not enrolled in our Sunday School classes, it is NOT a problem. We would love to see them at camp and hope to see them in Sunday School as well. **Your child(ren) will not need any additional money.**

Once we return home, the children will sing during the evening worship service the Sunday following camp. Please prayerfully consider allowing your child the wonderful privilege of attending this unique camp. It will be not only spiritually rewarding but also a lot of fun!

For God's Glory,
Jenice Pearson—Director of Children's Ministry
