Church Planting through Furlough Replacement

Dear Praying Friends,

We have just arrived on station in Wrexham, Wales.

Our May and June were full of reporting to churches and catching up with family and friends. We spoke in ten churches, did some landscaping at our church, made hospital visits, celebrated several occasions with our family, and spoke at a golf tournament—all the things you would expect and some you would not.

Myra spent time getting ready, not only packing for this trip to Wales, but also pre-packing for our trip this fall to the Rankin Inlet. There will only be three weeks between the two replacements, and we have never spent four months that close to the arctic circle. For us, #25 will be breaking new ground as we fill in for Nathan and Becky Jones in northern Canada.

On June 25, we were privileged to return to the church we pastored for 10 years. Heritage Baptist in Roscoe was celebrating their 45th anniversary. Pastor David Anderson had asked me (the pastor before him) and Claude Long (the pastor before me) to speak. It was a sweet time of memories and fellowship. We needed to slip out after the morning service since our flights were later that afternoon.

We arrived the next day. The Roberts flew out the next morning. We have not had our first Sunday here yet, so we await the Lord's blessing. We will tell you more in August.

On this replacement, we have a co-worker. Darcy Anderson will be with us for three weeks before she

returns to the states for a brief furlough. Her visa here in the UK has become precarious due to governmental policy changes. Please pray that this gets sorted quickly.

Thanks again for keeping us before the Throne.

Praises:

- Safety in travels for us and our luggage
- Refreshing times with family
- A blessed finish in Daegu

Prayer Requests:

- Safety as we drive on the left side of the tiny streets!
- Faithfulness of the saints
- Darcy's visa
- Opportunities to share our Faith

In the Beloved One,

Jim & Myra Wright
