

THE JORPELANDS

Hillsboro, ND

Dear Pastor and Church,

Greetings from the Northland! I hope this letter finds you all well. I want to thank you all for your prayers about the Goose River Brewery building. So far God's answer to our prayers has been no. After a month of back and forth negotiations, we came to a stand still. The owner has since listed the building for sale again, and we will see how the Lord answers in the end. Either way we are thankful for God's provision and His timing!

PRAYER REQUESTS

- Visitors Salvation
- Softening of the ground
- Potential Building Purchase

Our Parade float for Hillsboro days!

In June we had our towns fair called, Hillsboro Days. We were able to have a tent set up outside our building, where we handed out free waters. We were able to get some custom labels that had our church logo on it as well as the gospel! One of our supporting churches came up to help and we were able to have some good conversations.

In July we were able to do another of our water outreaches at the fourth of July fireworks show. My boys and I had a great time talking with people and maintaining some good connections. I was blessed to have a great conversation with one of the firemen who testified of his own salvation!

Over the last few month we have had a couple visitors come through, one of them was invited by one of our members. They work together, and he has been able to have some great conversations with him. His name is Jamer, Please be in prayer for him as he seeks the Lord. I know it to be true everywhere, but the ground here is hard. In a small town, many times you will find several generations of the same family. Where the family attends everyone attends, and I've heard first hand that they aren't happy with some of the heretical teachings but nobody is willing to leave. Especially not to leave and attend the Baptist church. Please pray as we continue to till the ground, and that God's seed would be able to grow here!

For His Glory,

JUSTIN JORPELAND
