

**Titus 3:12-15**  
**The Ministry of Cooperation**

**Big Question: What can we learn from these concluding verses?**

1. Paul and Titus are \_\_\_\_\_ on each other. (12)
  - Fellowship, friendship, and coaching
  - Your next pastor will have ministry relationships outside of this congregation
2. \_\_\_\_\_ other believers is an essential part of the church. (13-14)
  - These men may have delivered the letter to Titus
  - We serve and are served by others
  - Our good works are an encouragement to others and theirs are an encouragement to us
3. The Body of Christ is \_\_\_\_\_ than Crete or Polk City. (15)
  - We should continue to partner, give, pray, and go
  - We should continue to give to the Cooperative Program

Three thoughts for First Baptist Polk City:

1. Your next pastor will not by himself determine the future of this church.
2. We must be devoted to good works and get rid of fleshly behavior.
3. We are just a small part of what God is doing.
