The Battle of Armageddon/Har-Magedon!

This week we will look at the Armageddon. The passage is Revelation 16:16. “And they assembled them at the place that in Hebrew is called Armageddon” (16). We will look at three things about this conflict.

The Background: The word: “Har-Magedon” is from the Hebrew which means: “Mountain of Megiddo.” “In the history of Israel it had been the scene of never-to-be forgotten battles.” “The Mountain of Megiddo was a hill-town and the district was in part of the mountains of Mount Tabor - Judges 4:6, 12” (New Bible Dictionary, p. 505). The Old Testament records for us in this place that more blood had been shed during Israel’s history in the Old Testament! John is using this geographical place to emphasize a great spiritual truth!

Revelation Chapters Fifteen and Sixteen: These two chapters describe the bowls of wrath that God would pour forth on the ungodly. These bowls of wrath are in the forms of plagues. The sixth plague is that of drought and judgement by the invading Armies {the Parthians} in Revelation 16:12-16. The gathering of the armies for this historic battle is Armageddon! Ar-mageddon is a Spiritual battle; not a literal war! This is the war of all wars when the judgement of God will occur at the Second Coming of Christ! The point: What John wants us to know is that this battle is the place where those who rebel against God will go down in defeat!

The Application: Armageddon/Har-Magedon is used as a symbol of the final overthrow of all the forces of evil by the Almighty God! The battle of Armageddon will occur when Christ comes to judge. John in writing Revelation draws from the Old Testament to describe spiritual truths in the visions that John records. The battle of Armageddon is one of those truths! The materialistic view of Armageddon is false!
