FAITH THAT FEEDS

At the heart of our mission is a profound commitment to serve those in need. Inspired by Matthew 25:40, we strive to provide not only physical nourishment but also spiritual sustenance through the love of Christ.

DAILY HUNGER AFFECTS MANY FAMILIES

In Sitio Bayugan, many families struggle with daily hunger, facing an ongoing battle to provide basic nourishment for their loved ones.

CHILDREN ARE THE MOST IMPACTED

Children wait. Parents hope.

Children are often the most affected by hunger, waiting for meals and hoping for a brighter future.

But beyond feeding bodies, our deepest mission is soul winning *for Jesus* - Sharing the Gospel of *Hope* and *Salvation*.

One meal can open a heart to receive Christ

SOUL WINNING THROUGH NOURISHMENT

Our mission goes beyond physical nourishment; it is deeply rooted in sharing the Gospel of Hope and Salvation through every meal.

The Outreach Plan:

- Our primary mission is soul winning for Jesus - Sharing the Gospel and the truth of Salvation
- Provide nourishing meals for indigenous children and families
- Create moments of joy, dignity, and hope
- Pray with families and share God's love

ONE MEAL OPENS HEARTS

One meal says:

- "You are seen"
- "You are loved"
- "You matter to God"

Sometimes the doorway to the Gospel... is a plate of food

WE ARE NOT JUST FEEDING BODIES - WE ARE TOUCHING SOULS!

THE IMPACT OF ONE MEAL

A single meal holds transformative power, conveying love and recognition to those in need. It serves as a vital link to sharing the Gospel, as it communicates messages of value and hope, opening hearts to spiritual nourishment.

MORE THAN JUST A MEAL: MESSAGES OF LOVE

BEFORE: JUST FEEDING BODIES

Before our outreach program, meals were often just a means of survival. Families received food, yet the emotional and spiritual needs remained unmet. The focus was solely on physical nourishment, which did not address deeper issues of hope and identity.

AFTER: TOUCHING SOULS THROUGH NOURISHMENT AND LOVE

After implementing our outreach, meals have transformed into a holistic approach that addresses both physical and spiritual hunger. Each meal is accompanied by love, prayer, and the sharing of the Gospel, fostering a sense of belonging and worth in each individual served.

God may not call all of us to go.. But He calls each of us to participate.
