Did You Know?

The Bible records over **100 "one another" commands**. We are instructed to love one another, encourage one another, pray for one another, forgive one another, and bear one another's burdens. Christianity was never meant to be lived alone.

Fellowship Challenge

The strength of a church isn't found in its building, budget, or attendance. It's found in the spiritual health of its people. This Wednesday at 6:00 p.m., join us for Prayer Night as we come together to seek the Lord, encourage one another, and pray for our families, our church, our community, and our nation. A healthy church begins with believers who pray.
