Radical Responsibility

Mark 9:38-50 March 15, 2026

- I. A great evidence of true saving faith in your own life is your humble and _____ of others—rather than a self-centered, competitive, and harmful-to-others way of living.
- II. Believers who are preoccupied with their own honor frequently (and often unwittingly) discourage people away from Christ and _____ younger, newer believers.
- III. Wake up! So serious is the sin of hindering people from coming to and growing in Christ, that it would be better to be drowned than to commit this evil.
- IV. If a believer is not willing to take radical steps to quit sinning against God and his fellow man—he gives evidence that he is hellbound, not heavenbound.
- V. Daily offer yourself to God as a living sacrifice, because He is worthy—and—your fellowman needs your help, not your hindrance.
