Class for Parents, Young Adults, Dating
taught by Matt & Mary Harmon

Whether you are dating or married, a parent, or simply preparing for a future family, this study will give you clear, biblical tools to strengthen your relationships according to Ephesians 5 and 6. We will dive into the foundational principles of God's word on the family and marriage, and practical ways that we can implement these truths into our family relationships.

Class for Adults
taught by George Prinzing

The men and women highlighted in the Bible were unnervingly real. They faltered. They struggled. And at times they fell short. Yet God worked through them in surprising and incredible ways to accomplish His purposes. Scripture describes these heroes of the faith with unflinching honesty and delivers an unexpected ending: "God is not ashamed to be called their God" (Hebrews 11:16).
