Reaching children worldwide™

It can be difficult to convey what we all see weekly in multiple Good News Clubs. There are children who come and give us hugs every week! There are those who would rather not be there at all. There are also a lot of children in between. Regardless of why they are attending, we remember these things:

- † Every child is greatly loved by the one true God, the Father!
- † Every child needs a Savior, Jesus our Lord!
- † Sixty to eighty percent (60-80%) of the children attending will hear God's Word **no where else!**

THANK YOU for supplying the resources we need in order to keep putting God's Word in the path of the children who so tremendously need it. **EVERY SINGLE WEEK God calls more children to enter into His Kingdom—Rejoice with all heaven!**
