

Because kids matter to God

Elkview Baptist Church
1150 Main St
Elkview, WV 25071

Dear Brothers and Sisters,

As we write this letter, we are hunkered down at home. Helen is doing what work she can from home and I am also using this time to communicate with churches across the state. These are times we have never seen before, but we know without a doubt who is in control. Our God is sufficient to meet all our needs.

We would like to say thank you for your faithful love, prayers and Support. God is so good. We really appreciate you all.

As you may have heard already, Jim has been diagnosed with prostate cancer. We are waiting for test to be completed so treatment can be scheduled. They are recommending radiation & hormone therapy. It may get postponed due to the ongoing virus pandemic. We would appreciate your prayers as Helen and I walk this road together.

Thanks again for your recent gift of \$200.00. You are a great blessing to us. May the Lord bless you and be safe!

Your Awana Servants,

Jim & Helen

*Sparley letter on
Back!!*

Dear Mrs Alexander

I had a
good day
at school

my favorite part
of sports day
is coloring

I said a prayer
for you

Love maddy
