Dear Friends,

Thank you for your wonderful help as we equip servants for God's work around the world. Your gift is an eternal investment which will yield earnings forever!

Our campus is reflecting the excitement of the coming of spring. Our Spring Break provides many opportunities for our students and staff to serve in a variety of places. One particular blessing is the ministry of our Chorale as they travel to Christian schools and churches, presenting their music and promoting ABC. Pray for lasting impact in all of these places of ministry.

My heart has again been reminded in recent days of the tremendous need for servants to fill the openings for various ministries. Every week I am reminded of this as I receive requests for pastors, youth pastors, missionary openings, music leaders, and many other areas of Christian workers. My burden is facing the frequent request for laborers with limited available workers. We urgently need servants! Would you increase your prayers for laborers?

Thanks again for your important partnership. Let's pledge our hearts together to pray the Lord of Harvest to send forth servants . . . Because Life is for Service.

*Always a real
encouragement to
know of your
partnership.*

Blessings

His Slave,
