

PRAYER, PRAISE AND PEOPLE UPDATE FOR THE PARTNERS OF STEVE & RHONDA NICHOLLES

NOVEMBER 2019

PEOPLE TO PLACES: Mikaële graduated WOLBI Jeju 2012. While here she got a vision for how teaching English could open doors for her to serve God cross-culturally. So she returned to Quebec for her TESL degree. After teaching in public school for 3 years, she said, "I like teaching English but I like seeing lives change more!" She is now the English Dean at SYME in Taiwan. She recently had a man from Kyrgyzstan visit English Cafe. He had never heard the name Jesus. His English was good but he did not know if Jesus was a person, place or a thing. What a blessing to have Mikaële here for Campus Days with some SYME Taiwan students this past week!
