## Brian & Jamie Hopp – UNL The Navigators

Brian and Jamie work with both American and International college students through The Navigators at the University of NE – Lincoln. They lead a large-group of students for “Nav Nights” once a week. They also develop over 50 Student Leadership Team members through the Navigators’ discipling program. Many small-group Bible studies occur throughout the campus weekly and Brian and Jamie provide leadership for these gatherings as well.
