

Our Missions Trip to Guatemala City, February 2019

Grace & Truth Church Guatemala City, Guatemala

In 2015, our church began the search for a “Big Missions Thing”. After sending teams to several locations around the world and researching many opportunities, we felt God leading us to partner with a church in Guatemala City through World Orphans and AMG (Advancing the Ministries of the Gospel). This church partnership is “a complementary relationship between Ainsworth Evangelical Free Church and Grace & Truth Church guided by a common vision and sustained by an equal willingness to learn, to serve, to grow and to extend grace to one another under the Lordship of Jesus Christ”. (As stated on the World Orphans Church Partnership webpage.)
