

PARENTS

Lord, we ask Your blessing upon the parents and guardians as they entrust their children into the care of this school. Give them peace, confidence, and trust as they partner with educators in their children's growth.

- We pray that they would be actively engaged—supporting their children at home and working alongside the school for success in both programs and academics.
- For those who are struggling to support a child with learning, emotional, mental, or physical challenges, we ask for strength, wisdom, and the resources they need.
- Grant parents and guardians discernment to recognize when their child is facing a struggle—whether spiritually, relationally, or academically—and the grace to turn to You for guidance and wisdom.

And Lord, if they do not yet know You, Jesus, as their personal Savior, may this be the year they come to know You. Prepare their hearts to receive You.

SHARON CHURCH

Lord, we ask that You grant Sharon Church favor and open doors into our local schools, that we may serve and support students, teachers, administrators, support staff, and parents. Use the church as a light in these places—sharing the hope of the Gospel with those who are lost, hurting, and in need of Your love.

Bless our children's and student ministries. Use them to grow strong disciples of Christ, and empower them to make a difference in their classrooms, among their friends, on their teams, and within their homes.

Prayer Guide

ADMINISTRATION

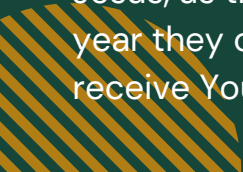

I pray that You strengthen them daily as they lead. Grant them wisdom and courage as they face difficult decisions throughout the school year. Watch over them, and guide them to lead with love and integrity. If they do not yet know You, Jesus, as their personal Savior, may this be the year they come to know You. Prepare their hearts to receive You.

SUPPORT STAFF

Father, we lift up the entire school support staff to You—the office, nurses, bus drivers, librarians, custodians, food service workers, and every support staff member who plays a vital role in creating a safe and nurturing environment for learning. We thank You for their dedication and hard work. If any of them do not yet know You, Jesus, as their personal Savior, we pray that this would be the year they come to know You. Prepare their hearts to receive You.

TEACHERS/PARAS

Lord, we ask that You equip these faithful servants with hearts full of love, wisdom, and compassion as they guide, teach, and mentor in ways that bring You honor. Strengthen them when they grow weary, and surround them with Your grace when they feel stretched beyond their limits. Lead them in every good work as they pour into this generation. And if they do not yet know You, Jesus, as their personal Savior, we pray this would be the year they come to know You. Prepare their hearts to receive You.

STUDENTS

- Lord, we lift up the students to You. We pray they would have hearts of respect toward their teachers and administrators. Give them strength to stand firm when faced with temptation, and help them to be kind, loving, and supportive of one another.
- We pray for those who come to school hungry—may they receive the nourishment they need each day. For those who are bullied and those who bully, we ask for peace, healing, and true transformation.
- For students facing difficult home lives, surround them with love, respect, and safety through their peers and the adults who care for them. For those who struggle academically, remind them they are not broken—they are capable, valued, and not alone.
- We lift up students who feel isolated or left out. Help them find a sense of belonging and community.

And above all, Lord, for those who do not yet know You, Jesus, as their personal Savior, may this be the year they come to know Your love. Prepare their hearts to receive You.
