What Is Hard Labor Creek?

This park is known for offering a wide range of recreational opportunities in a beautiful wooded setting. A lakeside beach is popular with swimmers during summer months, and more than 24 miles of trails are available for hikers and horseback riders. Overnight guests are provided with fully equipped cabins that sleep 6 people. Hard Labor Creek provides a peaceful and quiet location for students to refocus themselves as they lean into the Spirit of God. With **zero Wifi** and **zero cell service**, HLC takes away the distractions. You won't want to miss out on this experience!
