

Holding the Ropes

Co-laboring in the Lord's Ministry...Luke 5:18-20

Time to Rejoice & Time to Mourn

May 14th we became foster parents to the 3 yr old girl we asked prayer for a year ago. She has been a tremendous blessing. Praise our gracious Lord who made a way for her to be with us after it seemed there would be no way (no picture due to foster regulations). Would you join us in praying that the Lord will give us grace and wisdom in parenting and that she would be placed with us permanently?

On May 28th we received a call that our 18 year-old nephew Frank Early passed away in a tragic car accident in West Virginia. We thank the Lord that He worked out for us and our daughter to be with the family at the funeral and time of mourning. We would greatly appreciate prayer for comfort for each one in the family (especially his mom Christina), and for the gospel seeds that have been sown throughout this situation to bear fruit.

Church Gatherings

As a local assembly, we seek to follow the early church's example by devoting ourselves to the teaching of God's Word, fellowship, the breaking of bread, and prayer. On Sundays we have studied the book of Acts. We were reminded from Paul's shipwreck in chapter 27 that the Lord provides for His people in the storms of life. This is an important lesson we are experientially learning as we walk through this season.

Easter 2021 service outside

Pray for Colt (one of the 2021 graduates in our church who just went to basic training for the Army National Guard) to remain steadfast in his walk with the Lord & win others to Christ.

We thank the Lord for...

- His continual daily provisions & blessings
- growing our family
- June 4th celebrating 10 years of marriage

Prayer Requests...

- ✦ humility & holiness
- ✦ unified & strong marriage
- ✦ opportunities & boldness to share the gospel & that more would be saved
- ✦ Wisdom & grace to shepherd the flock of God among us

Family to come...

We continue to pray for the Lord's will and leading in growing our family.

A pregnant young woman in our area has asked us to adopt her baby and we have agreed. She is due this month. Will you pray for God's will and empowerment as we look to be parents to this precious newborn?

Wednesday evening prayer meeting at our house

in your own life as well. On Wednesdays we enjoy a weekly evening of singing, Bible study, and prayer at our home. The Lord continues to work through these means to encourage and equip the believers in our congregation to be witnesses for our Savior in the community. Throughout the week we spend a lot of time with the congregation enjoying meals and activities together, having Bible studies, and being available as needs arise.

The Great Commission

We praise the Lord for the additional opportunities for service He provides. Each week looks different but includes: helping lead a home outreach on Tuesday nights in partnership with another church, Luke driving bus for Arlee School District, coordinating a monthly pastors' fellowship, teaching for BTC (Bible Training Center), and speaking for camps, Erin substitute teaching for the Salish Immersion school, as well as leading Sunday School, ladies Bible studies and meetings. Would you join us in praying that we would abide in Christ and bear much fruit? We thank the Lord for you and the role that you play in our lives through your love, encouragement, prayers, and financial partnership. May He bless you in mighty ways as you seek Him this summer!

Thank you for taking the time to pray through our updates!
