

Holding the Ropes

Co-laboring in the Lord's Ministry Luke 5:13-20

Light in Darkness

We thank the Lord for all that He is continuing to do on the Flathead Reservation in spite of all the challenges that 2020 was filled with. In light of current events, we are aware of the prophetic warning our Savior gave:

"And because lawlessness will be increased, the *love* of many will grow cold" (Matt. 24:12)

To combat this ever present danger, we seek to faithfully obey our Lord's command to, "...consider how to stir up one another to *love* and good works, not neglecting to meet together, as is the habit of some, but encouraging one another, and all the more as you see the Day drawing near." (Heb. 10:24-25)

Would you join us in praying that as a church, our love for the Lord, His people, and the lost will not grow cold but will increase as we meet together to worship our Lord?

Sunday Gatherings

Every Lord's Day feels like a family get together. He is knitting our hearts together and teaching us to love one another.

A typical service includes announcements and prayer, Bible reading, singing praise to God, corporate prayer led by one of the men, preaching of the Word, communion, small groups to discuss application from the message, and the sharing of a meal. Many will linger till 3 or 4pm visiting one another. It's something we look forward to every week!

After the singing & prayer the children are dismissed to Sunday School where they are working their way through Genesis.

We thank the Lord for...

- His continual daily provisions & blessings
- growth in our church family & encouragement from meeting together each week
- connection w/ Great Plains Gathering church in Billings, MT

Prayer Requests...

- ◊ humility & holiness
- ◊ unified & strong marriage
- ◊ opportunities & boldness to share the gospel & that more would be saved
- ◊ Wisdom & grace to shepherd the flock of God among us

Family to come...

We continue to pray for the Lord's wisdom and lead in growing our family if He wills. The adoption & guardianship opportunities that we wrote about in our previous letter will not be possible anymore. We thank the Lord for clarity although it isn't the answer we expected. Thank you for praying with us about this.

Wednesday Singing & Prayer

On Sunday mornings we have been studying through the book of Acts. An important aspect of church life highlighted through this study has been singing and prayer. To reflect this truth, the church has started a Wednesday evening gathering focused on singing and prayer. The times we share together are always a blessing and a great opportunity for us as the body of Christ to corporately wage spiritual warfare.

The Great Commission

By God's grace, we aim to make disciples of Jesus Christ. This looks a bit different each day but includes prayer, studying God's Word (for sermons, messages, and kids lessons), interacting with unbelievers through Luke driving the bus for Arlee

one of the many birthdays we have had the opportunity to celebrate

Schools and Erin substituting at the Salish Immersion School, meeting with different individuals to study God's Word throughout the week, prayer meetings, attending local sports events, hosting birthday parties, spending time on the phone with people processing the stuff of life, visiting people in their homes and in the community, and intentionally focusing on equipping individuals like our dear friends, Ozzie and Mariah OldPerson, for the work of the ministry. Would you pray that we would abide in Christ as we seek to fulfill His command to make disciples?

Thank you for taking the time to pray through our updates!
