

Dear Church Family of Elkview Baptist Church,

Thank you so much for the generous Christmas gift you sent. We've been able to bless some others who were struggling over this past year and during the Christmas holiday, thanks to you.

Even in a crazy year like 2020 has been, we still have so much hope and such a wonderful Savior to share.

May the joy of Jesus be a constant light that shines through you and your church in 2021!

Gripped By Grace,

The Roses,

Tim, Suzette, Mackenzie,
