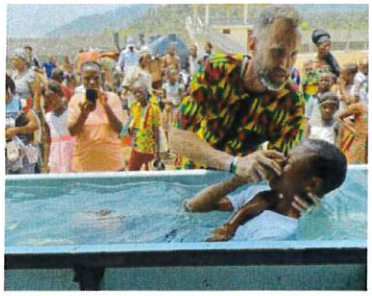
APRIL 2022 MINISTRY UPDATE

Hello Friends & Ministry Partners!

This past month has been an exciting time for the ministry. Early in April, the Babadorie church was able to send a representative–in a combined effort with the other New Beginnings Baptist Church branches–to evangelize among sixteen, inner-country villages in the Morica area. The people in this particular area were completely unreached by the Gospel message! Through his sharing of the Gospel, fifty-three accepted Christ, contributing to the combined total of over 1,000 professions of faith! As Shaun had taught on Biblical stewardship throughout the month of March, the church committed to monthly, financial support (above their tithes) toward the church-planting efforts in this new village location with a special missions offering! This is a huge step in their obedience and efforts to the Great Commission.

Easter Sunday saw each of the New Beginnings Baptist Mission Church plants gathered together for a combined serve in celebration of our resurrected Savior. While an attendance goal of 1000 people was set, we rejoice in the 1,657 who joined us! Many in the crowd positively responded to the gospel, and we welcomed one of these ladies to church this past Sunday. At the conclusion of the combined service, Shaun was privileged to baptize twenty men, women, and young people from the Babadorie church as well as another 130 from the other church plants!



We concluded this busy month with observance of the Lord's Supper. This first communion with our church family here was a sweet time of reflection.

God is on the move in Sierra Leone and we praise Him all that He is doing here!
