

Greetings from Europe! God has kept our ABWE family healthy in Spain ---and active in 2021. So thankful for no Covid cases among our ECA family either. Pray as we search for a director/science/and math teacher for next year, as well as a handy-man.

Thanks for your help in praying for the children of Alcalá, as well as the "-tweens." We had a great group this weekend. Our pastor, Miguel Angel presented the gospel clearly. (Please pray that his family finds a bigger place for their growing family.)

Lord willing, I'll fly to WV to spend Christmas with my family. ECA gave us a "bonus" this year. ☺ (Dec. 18)

May you welcome the season  
with an open heart and a joyful spirit.

Thank you for your gifts to ABWE  
for our ministries. Oh, how I  
appreciate you all!

Feliz Navidad y Feliz Año Nuevo!
