Dear Friends,

Thank you for your faithful partnership as we equip servants to share the Gospel and strengthen the Church. These are wonderful days to serve Jesus!

During these days focused upon the season of Christmas I trust that you are experiencing many opportunities to share the Gospel. I regularly remind our campus family that these are some of the easiest times to witness. Let's fervently and passionately give the Good News.

Please be in prayer for God's provision of special year-end gifts. We are grateful for our faithful friends like you who support us, but we are also dependent upon extra gifts during this time. Thank you for praying.

Praise the Lord for a great semester of emphasizing our duty as "Servants Under the Yoke." What a privilege to be "yoke-fellows" with you and with our Savior. Please continue to pray the Lord of Harvest to send forth servants... "Each One Reach One."

*God bless you
