

June 2021 Ministry Update

Hello Friends & Ministry Partners

As the rainy season approaches, ministry work is continuing forward. In the last two weeks, we have had two answered prayers: a new associate pastor for NBBC-Babadorie (Abdul Swarray) and a successful leadership conference. This week we are hosting a free movie night at a local community center near the church where we will be showing *The Jesus Film*.

Pastor Abdul is a teacher at one of the Christian schools and is dedicated to following the Lord's leading in his life. We anticipate God doing a great work in--and through--Pastor Abdul. At this year's Excellence in Leadership Conference, four hundred eight-nine certificates of completion were presented to men and women. They represent the military, police force, fire and rescue force, correction officers, and local churches. Shaun taught daily sessions on the topics of "Character Matters" and "The Benefits of Failure," and we praise God for the good attendance, the God-honoring atmosphere each day, and the multiple professions of faith! We were also able to present the Chief Chaplain of the Armed Forces and his staff with eight much needed computers at the graduation.

Please continue in prayer for the following:

- God's leading and wisdom as we work to strengthen and grow the local church
- Pastor Abdul Swarray in his new responsibilities
- The upcoming outreach event: that souls will be saved and the church will grow
- A smooth and problem-free move into our new home in the next week
